This week, Citi gave Strategy a "buy" rating with a \$485 price target but warned the stock "presents significant risks due to its positioning as a leveraged proxy for Bitcoin," noting even moderate Bitcoin price declines can lead to magnified shareholder losses.

The BFB is a public-private partnership between the government of Bahrain and tech companies focused on incubating financial technology startups.

"Not every project in Crypto needs to have blockchain, now everyone wants to build something around creating a blockchain," they said.
