Japan's new Prime Minister, Sanae Takaichi, announced a package of economic stimulus measures on Tuesday to ease the impact of inflation on households. The move, some crypto observers said, may drive more capital into Bitcoin.

However, in response, "Wall Street created products that made the dollar dominant, and the market cap of equities today is 40 trillion compared to 2 trillion for gold," he said.

Prediction market gurus have plenty on their plate this week, between NFL kickoff and forecasting the next crypto market moves after recent all-time highs.

Details of the deal were shared with Decrypt under embargo until Wednesday morning in New York, but were first reported by The Wall Street Journal, hours before the announcement was supposed to lift. Specific terms of the deal remain undisclosed.

"SearchGPT is designed to help users connect with publishers by prominently citing and linking to them in searches," OpenAI said in its announcement. "Responses have clear, in-line, named attribution and links so users know where information is coming from and can quickly engage with even more results in a sidebar with source links."
