The pattern reflects sustained investor confidence amid geopolitical and monetary uncertainty, the very conditions HSBC says will keep the rally alive into 2026.

“The updated guidance should further encourage the sharing of information relevant to potential illicit activities routed through blockchains, while being careful not to overimpose recordkeeping obligations on everyone involved in a blockchain transaction,” Grewal added.

retail investors are known for entering the market during periods of euphoria, typically after strong rallies or new all-time highs. Still, despite Bitcoin hitting multiple all-time highs in 2025, the general public’s interest and retail activity

continue to lag.

"We have seen that a number of companies have had success with a crypto strategy," the spokesperson said. "A number of our friends and supporters felt we should engage in that area as well. The board decided to start a conservative approach on this and test waters by buying some Bitcoin and Trump coin."

"You should subtract from that number whatever the size of your Ocean investment was," Wertheimer said of Dorsey's philanthropic contributions. "Sadly, that capital is being actively deployed to slow down development."
