"The markets teach you, you always have to relook at your assumptions," Fink told CBS last week. "There is a role for crypto in the same way there is a role for gold, that is, it's an alternative."

"Bitcoin was easy because it's the gold standard for crypto," the continued. "We believe Trump coin is undervalued, considering that it's the coin backed by the President of the United States, who is not only popular in the United States but a global figure respected and followed all over the world."

The guild also warned producers that they "may not use synthetic performers without complying with our contractual obligations, which require notice and bargaining whenever a synthetic performer is going to be used."
