Comprehensive Guide to binance pundi x

Crypto companies must be registered with the FCA under money laundering regulations and comply with the UK's financial promotions rules, which took effect in 2023, to advertise or provide services to residents.

BTC's current price action closely resembles the March–April bottom range, when sharp intra-day wicks cleared out liquidity built over 30 days before a gradual recovery began. The pattern suggested that BTC could retest the \$100,000 range without necessarily breaking the broader bullish structure, unless it falls decisively below that level.

When you've been around markets long enough, you start to see patterns. The tools we trade on and the rails we build on are never static. In crypto, one of the biggest shifts happening right now is at the base layer.
