In an interview with the Financial Times, the Bridgewater Associates founder linked a rise in the price of digital assets and gold to America's overwhelming debt burden, which isn't improving, according to a transcript of the conversation that he posted to X on Wednesday.

"You should subtract from that number whatever the size of your Ocean investment was," Wertheimer said of Dorsey's philanthropic contributions. "Sadly, that capital is being actively deployed to slow down development."

The exhibition features "cutting-edge digital artists alongside additional physical works, encouraging guests to explore, pause and connect with the art beyond the

dancefloor,” the organizers said.

When you’ve been around markets long enough, you start to see patterns. The tools we trade on and the rails we build on are never static. In crypto, one of the biggest shifts happening right now is at the base layer.

“Aussie culture and sense of humour may play into our propensity to engage with meme coin offerings just as much as potential gains. Many see these tokens as a low-stakes way to engage with crypto communities and trends,” he said.

House of Doge telegraphed its deeper move into sports, telling Decrypt last week that it intends to tokenize multiple elements of mainstream culture, starting with sports.
