Comprehensive Guide to binance son dakika

How the campaign works

So far in 2025, paying for coffee with crypto isn't some sci-fi fantasy anymore. Plenty of chains and indie spots have already made it part of the daily grind. At Starbucks, for example, you can grab a Bitrefill gift card and cover your caramel macchiato with Ether or Bitcoin.

But it came around the same time that Bitcoin advocate and Jan3 founder Samson Mow said that Ethereum investors would switch back to Bitcoin once ETH prices were high enough.

"Ethereum could flip Bitcoin similar to how Wall Street and equities flipped gold post 71," Lee said in an interview with ARK Invest CEO Cathie Wood on Thursday.

"Built on institutional-grade infrastructure, [the product] enables UK investors to gain exposure to Bitcoin with the confidence of robust custody and regulatory oversight," Sloan added.

The bank based the bullish outlook on geopolitical tensions, economic uncertainty, and a weaker US dollar, which it said would keep demand strong.
