Australians appear to be trading on curiosity and culture as much as conviction, according to a new analysis by crypto exchange Kraken.

Weekly prediction market volume set a new high-water mark above \$2 billion as Polymarket retakes its lead over competitor Kalshi, according to Dune Analytics data. Both Polymarket and Kalshi have experienced massive increases in user activity and trading volume over the last several months, as prediction markets as a whole gain broader mainstream awareness and adoption. Kalshi, as the first federally regulated prediction market platform in the U.S., saw a leap in user activity in August—not coin...
