Authority is the emergent product of differing capacities for violence among individuals and groups. This gradient of violence gives rise to coercion, where the possessors of violence impose rules on subjects. And code, while dictating internal rules within its own logic, has no monopoly on violence in the world writ large.

"In line with WNBA Arena Security Standards, any fan who intentionally throws an object onto the court will be immediately ejected and face a minimum one-year ban in addition to being subject to arrest and prosecution by local authorities," it said in a statement.
