“While differentiating between this content is a technical challenge for search engines, we're making ongoing improvements to better surface legitimate content and downrank explicit fake content,” Google said. In regards to CSAM, the Google spokesperson said the company takes this subject very seriously and has dedicated an entire team specially to combat this illegal content.

Analysts split over record crypto liquidation

“When corporations gain too much legibility and influence over open source projects, priorities start to drift away from the community’s long-term vision and

toward corporate incentives. That's how misalignment begins.”
