The MACD is a popular momentum indicator used in technical analysis that helps traders identify the strength, direction, and duration of a trend in an asset's price.

Not everyone in crypto has popped open the champagne following Waller's announcement, however. Caitlin Long, founder of Custodia, a Wyoming-chartered crypto bank that has sought for years to earn a full-fledged master account, cautioned Tuesday that Waller specified the Fed's new program would apply to "legally eligible entities" if enacted—and that the devil is in those details.

As "creator capital markets" advocates hailed the stunt as a raging success, others pushed back. One X commenter said, "This could easily be a bad thing. We don't need more harassment, we need more quality content."
