According to a post from journalist Eleanor Terrett on X, “the senators as a group said they were committed to getting a bill done.”

"Ultimately, by decoupling energy infrastructure from mining, HUT will increase its financial flexibility and put itself in a stronger position to execute on growth opportunities at scale while preserving upside exposure to bitcoin through a 64% stake in American Bitcoin," the note read.

Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take things from those communities, some of the victims will appeal to the government

for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.

Tokyo Whale stops selling at around 144,000 BTC

After the acquisition closes, 21Shares will continue operating independently under CEO Russell Barlow. FalconX said the move aligns with its broader 2025 expansion push in trading, asset management, and market infrastructure, following earlier deals for Arbelos Markets and Monarq Asset Management.

“I think it's fair to say Australians have always had a bit of a speculative streak, we're willing to have a go,” Miller told Decrypt.
