The letter says current rules force Americans to complete new KYC checks for every financial account, sharing their data “with dozens of companies” that must store it for years, creating “honeypots for criminals.”

Everyday crypto transactions: Coffee shops, restaurants, retailers

That is, of course, if you trust that the planets will align and the trend will remain valid until new year's eve.

As the first successful application of blockchain technology, cryptocurrencies have gone through more than ten years of development. From the initial Bitcoin to the current wide variety of tokens, the cryptocurrency market has experienced multiple booms and busts. Nevertheless, the ideas of decentralization and disintermediation represented by cryptocurrencies are profoundly influencing the traditional financial system. More and more institutional investors are beginning to pay attention to and participate in the cryptocurrency market, and governments of various countries are also actively exploring regulatory frameworks for cryptocurrencies to promote their healthy development.

In recent years, Haines has been an announcer for Karate Combat, a crypto-fueled fighting league. In 2022, following the collapse of crypto exchange FTX, Haines crowdfunded \$10,000 through a platform called Juicebox to search for its disgraced CEO in the Bahamas (with his family).
