After 2020, the Bitcoin in question was moved only once more, during the summer of 2024—to wallets presumably controlled by U.S. law enforcement.

Blockchair is a multichain blockchain explorer that goes beyond Ethereum. It offers support for major networks such as Bitcoin, Dogecoin and more. Its advanced filtering and data export tools make it especially useful for researchers, analysts and organizations that need detailed blockchain insights.

Polymarket made big moves this month

Crypto markets and stocks have in the past done well in a low interest rate environment. Experts previously told Decrypt that the price of BTC would benefit if lower interest rates.

Chart patterns are shapes formed by price movements that help traders anticipate future market trends. These patterns fall into two main categories: reversal patterns, which signal that a current trend may change direction, and continuation patterns, which suggest the trend will likely resume after a brief pause. They stem from market psychology, where emotions like fear, greed and uncertainty drive collective trading behavior and create recognizable shapes on charts.
