The iShares Bitcoin ETP began trading on the London Stock Exchange on Monday, with securities physically backed by Bitcoin held through Coinbase, as per the Financial Times report.

Steak 'n Shake joined the party in May 2025, rolling out BTC payments nationwide, crediting it for an 11% sales boost by attracting tech-savvy diners. Chipotle and Baskin-Robbins are on board, too, via BitPay integrations, where ETH, BTC or XRP funds your burrito bowl or scoop.

Over the past seven days, Bitcoin's price has fallen 3.4% to \$111,250. In the press release, Strategy said that it paid an average cost of \$112,000 per Bitcoin last week, despite Bitcoin's recent fall. (The digital asset showed signs of rebounding on Monday.)
