That endeavor drew over 60 supporters. His current effort is being bankrolled by around a dozen, he said. The show is also sponsored by genzcash, which bills itself as the “memetic warfare division” of privacy-focused coin Zcash, he added.

Such flexible authority chafes libertarians because discretion is power. Laws create arbiters who necessarily have the authority to impose or remove costs from other humans.

Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take things from those communities, some of the victims will appeal to the government for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.
