Authority is the emergent product of differing capacities for violence among individuals and groups. This gradient of violence gives rise to coercion, where the possessors of violence impose rules on subjects. And code, while dictating internal rules within its own logic, has no monopoly on violence in the world writ large.

Details about how the firm will fund the initiative were not revealed, but it expects to make the first strategic purchase “in the near future.”

The deal arrives as the crypto industry witnesses “a powerful convergence between digital assets and traditional financial markets,” Raghu Yarlagadda, CEO
