Two-step rule: Wait for the retest. If the “broken” level is reclaimed and held with improving participation (volume or depth), it was likely a trap. If not, you’ve avoided chasing noise.

“We can build, or architect, or code cyberspace to protect values that we believe are fundamental. Or we can build, or architect, or code cyberspace to allow those values to disappear. There is no middle ground. There is no choice that does not include some kind of building. Code is never found; it is only ever made, and only ever made by us.”
