House of Doge telegraphed its deeper move into sports, telling Decrypt last week that it intends to tokenize multiple elements of mainstream culture, starting with sports.

The recent bond sell-off, however, has widened the gap between short- and long-term yields, steepening the yield curve. In other words, investors are demanding higher returns to lend money for longer periods.

The approval allows Binance to take majority control of GOPAX, restart operations in Korea, honor repayment pledges to users, and position itself to compete with dominant local exchanges.

The competition began with \$200 in starting capital for each bot, which was later increased to \$10,000 per model, with trades executed on the decentralized exchange Hyperliquid.
