Musk is well known for pumping the value of O.G. meme coin Dogecoin with his comments, but his social media posts have also moved the needle for Floki in the past.

The film uses the human angle to frame a debate that was prevalent at the time. When an attacker takes money from a smart contract, relying on the contract's internal logic to obtain tokens outside of the creator's intention, is that wrong? Should the attacker be censured, legally or otherwise, or is this simply fair play?
