Strategy, Metaplanet stock sinks

His remarks come as the banking industry has spent months demanding Congress close loopholes in the GENIUS Act, the nation's first major stablecoin legislation signed into law in July.

At the network level, institutional staking could enhance security and protocol stability. However, it may spark concerns about centralization if large funds dominate validator roles. This could affect yields and governance balance. Grayscale's staking-enabled ETPs will shape upcoming funds, influencing standards for transparency, risk disclosures, taxation and investor safeguards.
