As part of its equity stake announcement, the firm also shared that it is adding Toronto Blue Jays Vice Chairman Roger Rai to its advisory board to advise its sports operations on best practices and commercial partnerships.

This will allow customizable lending markets while pooling liquidity through “hubs,” improving efficiency and scalability.

But here’s where things get interesting: BNB has been riding a powerful parabolic support line since mid-year. The chart shows a clear parabolic advance—the kind that can deliver explosive gains but also tends to end with equally explosive corrections. Looking at the projection, if this trajectory continues uninterrupted, BNB could be trading near \$2,000 by December 31, potentially delivering another 67% gain from current levels over the next 89 days.
