In other words, those who earn SOL after a purchase can have it automatically staked on Gemini for up to 6.77 APY%.

But CJ Burnett, chief revenue officer at Compass Mining, told Decrypt that the company believed that the environment was favorable for remaining focused on mining.

"We have seen that a number of companies have had success with a crypto strategy," the spokesperson said. "A number of our friends and supporters felt we should engage in that area as well. The board decided to start a conservative approach on this and test waters by buying some Bitcoin and Trump coin."

However, the stiff penalties have not stopped crypto advertisements in the country, according to the Financial Times.
