He believes this outlook bodes well for a sustained rally through the year's end, noting that "historically, October through December are the most active and bullish months for Bitcoin."

The latest shift in sentiment came after several key regional lenders, including Truist Financial, Regions Financial and Fifth Third Bancorp, reported lower provisions for credit losses than anticipated. The results offered relief to markets following Thursday's rout, when the S&P; Regional Banks Select Industry Index fell 6.3%, led by Zions Bancorporation and Western Alliance Bancorp after both disclosed loan losses stemming from fraud in distressed commercial mortgage funds.

DCA provides exactly that: You set the asset, amount and frequency, then let the schedule handle the rest. The result is steady exposure without the pressure to react to every market swing.

The referral system also proved to be a growth driver, with 25,212 new users brought into the Algorand ecosystem through invitations from friends. By the end of the week, 4,215 participants had successfully completed all the required quests and claimed their non-fungible token (NFT) badges.
