The continued aggressive accumulation of Ether occurs despite Lee's opinion that the digital asset treasury bubble may have burst.

But CJ Burnett, chief revenue officer at Compass Mining, told Decrypt that the company believed that the environment was favorable for remaining focused on mining.

"Since market makers are net long gamma," an increase in Bitcoin's price will most likely be dampened by hedge selling, Dawson said. Similarly, price drops will also be minimized as dealers would be forced to buy to hedge their positions.

A challenge of the new policy, Google acknowledged, is making sure that consensual or “real content,” like nude scenes in a film, are not taken down along with the illegal AI deepfakes.

Similarly, the Coinbase app now ranks 29th in the US App Store within the finance category, a significant drop from its third-place position in January, according to data from The Block.

"We have been reviewing the entire portfolio from first principals to evaluate AI suitability and have identified Georgia as a strategic region for both potential conversion as well as expansion," wrote Scott Garrison, chief development officer and executive vice president at ClearSpark, adding:
