The pivot comes a day after CEA Industries Inc., a Canadian vape company, announced it had acquired 500,000 BNB tokens at an average price about \$870 per token.

While we abstract it away in our discussions, this final step, the violence, is the basic quantum of all regulation. And as long as governments have armies, and developers and hackers do not, those who believe code is law will be unable to

enforce their priors on the rest of us.
