“Easing US-China tariff tensions and a renewed debasement trade echoed in gold’s strength are fueling fresh demand for digital assets,” Liu noted.

These include conspicuously posted warnings about speculative risk, which direct the user to informational pages and other prompts designed to alert the user and mandated know-your-customer requirements.

Catching a coin’s name trending on X or in a Telegram chat isn’t enough to justify putting capital at risk. Social buzz moves fast, and most spikes fade before price action catches up, or worse, they might be the result of coordinated shilling. That’s why the next step is to turn raw noise into structured signals you can actually rank

and compare.

The WNBA did not immediately respond to a request for comment but has warned that throwing items onto the court can pose a safety risk for players, game officials and fans.
