Prediction market gurus have plenty on their plate this week, between NFL kickoff and forecasting the next crypto market moves after recent all-time highs.

does binance use leverage

Sumit Roy, senior ETF analyst for ETF.com, told Decrypt that traders may not be finished unwinding their positions, although prices could also rally.

In a Tuesday blog post, Hougan described the sharp drop as “a blip” and not a big deal. He added that crypto “got a passing grade” in its handling of the sell-off.

People have always looked to frontiers for freedom. That is because societies are, fundamentally, structures that organize violence to contain the desires of individuals in favor of the priorities of those in power. Generally, this has at least some pro-social qualities: Police have a privileged role as monopolists of violence so that we can buy deodorant at Walgreens without ringing a bell for an attendant. But that does not change what it is.
