This infrastructure forms a critical bridge for crypto adoption, enabling users to connect traditional bank accounts to digital asset exchanges, connections that could otherwise be blocked by banking executives hostile to crypto.

“The conditions for that safe-harbor should focus on governance and outcomes, as opposed to forcing a one-sized-fits-all model,” he said in a follow-up X post on Monday.

Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take

things from those communities, some of the victims will appeal to the government for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.

“The bottom line is, unless there is an audience for this, there’s no future,” he said. “I’m not an expert in almost anything, but there’s one thing that I can say I have at least a little bit of knowledge in, and that’s video. I’ve made so many.”

All collected taxes, interest, and penalties would flow directly to energy affordability programs administered by the Department of Public Service in consultation with the Energy Affordability Policy Working Group.

“Ethereum should be extremely cautious about developing a technical deep dependency on a fund that is playing cards in a very strategic way.”
