Prediction markets are popping in October

Grok 4 combines a real-time feed of X conversations with web DeepSearch and a higher-reasoning "Grok Think." That means you can surface sudden narrative spikes on X, ask the model to search broader web sources for context and request a reasoned assessment rather than a one-line summary. XAI's product notes and recent coverage confirm that DeepSearch and expanded reasoning are core selling points.

Details of the deal were shared with Decrypt under embargo until Wednesday morning in New York, but were first reported by The Wall Street Journal, hours
