The Iowa Center is an economic development organization that empowers Iowans to launch, manage, and grow small businesses. Our mission is to empower Iowans with the potential to succeed as they pursue opportunities for financial success. Success to us is people supporting themselves, their families, and their communities through the execution of their own ideas. The Iowa Center provides three lines of service for those who want to launch or grow their small business: Business Coaching, Credit + Lending, and Tax Services. It is our belief that to be successful in small business, one needs support in three core areas: education, capital, and networking Stay up to date on our latest news, events, and classes! Generosity of donors allows us to assist our clients in starting and sustaining new business, creating jobs, and contributing to the economic development of our state.
