This text is intended for a 1-semester CS1 course sequence. The Brief Version contains the first 18 chapters of the Comprehensive Version. The first 13 chapters are appropriate for preparing the AP Computer Science exam.For courses in Java Programming.A fundamentals-first introduction to basic programming concepts and techniquesDesigned to support an introductory programming course, Introduction to Java Programming and Data Structures teaches you concepts of problem-solving and object-orientated programming using a fundamentals-first approach. Beginner programmers learn critical problem-solving techniques then move on to grasp the key concepts of object-oriented, GUI programming, data structures, and Web programming. This course approaches Java GUI programming using JavaFX, which has replaced Swing as the new GUI tool for developing cross-platform-rich Internet applications and is simpler to learn and use. The 11th edition has been completely revised to enhance clarity and presentation, and includes new and expanded content, examples, and exercises.Also available with MyLab Programming.MyLab Programming™ is an online learning system designed to engage students and improve results. MyLab Programming consists of programming exercises correlated to the concepts and objectives in this book. Through practice exercises and immediate, personalized feedback, MyLab Programming improves the programming competence of beginning students who often struggle with the basic concepts of programming languages.Note: You are purchasing a standalone product; MyLab Programming does not come packaged with this content. Students, if interested in purchasing this title with MyLab Programming, ask your instructor to confirm the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyLab Programming, search for:0134694511/9780134694511 Introduction to Java Programming, Comprehensive Version plus MyLab Programming with Pearson eText -- Access Card Package, 11/ePackage consists of:0134670949 / 9780134670942 Introduction to Java Programming and Data Structures 11/e013467281X / 9780134672816 MyProgrammingLab with Pearson eText -- Access Card -- for Introduction to Java Programming and Data Structures, Comprehensive Version, 11/e REVEL and eText Introduction to Java Programming and Data Structures, 13E (August 2023) Catalog Page/ More Info Java 13e Revel/eText Video Introduction REVEL and eText Introduction to Python Programming and Data Structures, 3E (May 2022) Catalog Page/ More Info Python 3e Revel/eText Video Introduction REVEL and eText Introduction to C++ Programming and Data Structures, 5E (May 2021) Catalog Page/ More Info C++ 5e Revel/eText Video Introduction REVEL and eText Introduction to Java Programming and Data Structures, 12E (Jan 3, 2020) Introduction to Java Programming and Data Structures, 12E (Jan 3, 2020) Access Companion Website Catalog Page/ More Info REVEL Introduction to Python Programming and Data Structures, 2E (Jan 3, 2019) REVEL Introduction to C++ Programming and Data Structures, 4E (February 15, 2018) Introduction to Java Programming and Data Structures, 11E (March 23, 2017) Introduction to Java Programming, Brief Version, 11E (March 23, 2017) Liang Java AP Edition (Jan 15, 2016) REVEL for Liang Java (July 10, 2015) Introduction to Java Programming, Comprehensive Version, 10E (Jan 3, 2014) Introduction to Java Programming, Brief Version, 10E (Jan 3, 2014) Introduction to Programming with C++, 3E (Jan 3, 2013) Introduction to Java Programming, Comprehensive Version, 9E (March 2012) Introduction to Java Programming, Brief Version, 9E (March 2012) Introduction to Programming Using Python 3 (Jan 1 2012) Introduction to Java Programming, Comprehensive Version, 8E (Dec 2009) Access Companion Website (Login using access code.
