Key takeaways TOEIC Listening and Reading results are available online within 3 to 7 days, while paper results take longer. Speaking and Writing scores are delivered in 7 days, with digital reports available online. Official TOEIC score certificates are sent within 30 days, and the results come with limited validity. If unsatisfied with your score, you can request a re-mark within 6 months, with ETS covering the cost if the score changes. Related: FREE TOEIC practice exams TOEIC exam fees How to book a TOEIC exam The time it takes to get TOEIC results depends on the type of test and how it is delivered. For TOEIC Listening and Reading, online tests done at a test center give results in 3 to 5 hours. Paper-based results usually take 10 to 15 days after processing, but Express Scoring can make this 2 to 5 days. Also, results from remote proctoring come in 7 days. For TOEIC Speaking and Writing, scores are delivered in 7 days for tests taken at a center. Digital reports are available online, and printed documents, if ordered, are sent to your mailing address. However, you should note that technical or postal delays may affect delivery times. Where Can You Find Your TOEIC Results? You can view your results online by logging in to your ETS Global account. This online report will give you quick access to your scores, but it is an unofficial report. What if you submit your test to schools or other organizations? Then, the official score reports will be mailed directly to those institutions. How To Interpret Your TOEIC Results? You need to consider your overall score, which ranges from 10 to 990, to interpret your TOEIC results: 905-990: International professional proficiency You can communicate effectively in any situation, demonstrating a high level of language fluency. 785-904: Working proficiency: You are able to meet most work requirements with language skills that are often, but not always, effective and acceptable. 605-784: Limited working proficiency You can manage basic social interactions and handle limited work requirements. However, candidates may struggle in more complex scenarios. 405-604: Elementary proficiency You can engage in predictable face-to-face conversations and meet simple social demands. 255-404: Elementary proficiency Your proficiency is functional but limited, allowing you to manage simple conversations on familiar topics. 10-254: Basic proficiency You can meet immediate survival needs but may find it difficult in some complex situations. When Will You Get Your TOEIC Score Certificate? You will receive your official TOEIC score certificate within 30 days of your test date. Additionally, you can view your results online 17 days after the test. Keep in mind that when checking your scores online, your admission ticket's signature and photograph will appear in black and white on the certificate. The TOEIC Listening and Reading tests are scored using automated technologies for multiple-choice questions. Meanwhile, the Speaking and Writing sections are securely processed and evaluated by certified ETS raters. How Long Are The TOEIC Results Valid For? TOEIC results are valid for two years. The validity period reflects the fact that language skills can change over time. This period allows for an accurate reflection of your current English skills. FAQs Can I Request A TOEIC Re-Mark? Yes. If you're unsatisfied with your score, contact the test center where you took the exam within 6 months. Your test will be re-evaluated. If there's a score difference, ETS will cover the additional cost. However, if there is no change in your score, you will be required to pay for the remarking process. How Can I Get A Higher TOEIC Score? First, you should get familiar with the test format to build confidence for a higher TOEIC score. Next, create a study plan that balances boosting your strengths and focusing on improving your weaknesses. Surround yourself with English through books, movies, and music while learning new vocabulary in context. Finally, take advantage of online resources for effective studying. Conclusion How long do TOEIC results take? The time it takes to receive your scores varies depending on the test format. For the Listening and Reading test, results can be available online within 3 to 7 days, while paper-based results may take up to 15 days. For the Speaking and Writing test, scores are delivered in 7 days for tests taken at a center.
