The daily court
criminal cases are considered matters of public interest. Having an open system of justice is common in democratic countries as it discourages corruption and secrecy. Since the neighbours, employer, or anyone else can find out that you have been charged and the eventual outcome (disposition) of your case. The most common ways members of the public	courts are open to the public there are a number of ways other people can find out who is charged and with what	. The downside of this is that your family members, friends,
daily court lists public docket system. By using the provincial court case search tool to look up the accuseds name. A victim, witness, or other involved 3rd party tells their story to their ICON computer system. By ordering a copy of the information at the courthouse clerk's office. By attending court in person or online via Zoom and seeing the cases that are	the media or on social media.By journalists attending court and reporting on who is charged. By calling the court being heard that day.While each of these requires a little bit of work and perhaps some additional research to pos	house clerk's office and asking them to search for a name in itively link a name to a particular identity, ultimately it is
within the power of any member of the public to find out who has been charged by the police and with what. While not everything is under your control there are ways to lay low will also mean you will not have to attend all or most of the court appearance dates (in person or via remote Zoom court). This way you avoid showing your face in court more than the court appearance dates (in person or via remote Zoom court).	an you have to. Some peoples names are more likely to become public than others. The likelihood of your name and	charges becoming public will depend on the nature of the
charges, the charging police force/your location within Ontario, and your personal level of profile within your community. The police are more likely to release names publically woffence related cases). Even if the police do not release the accuseds name they may be in a jurisdiction where local journalists will report on who is charged in the community. Wo cities these cases are more likely to be reported on. Those living in smaller towns may also be more likely to have their charges gossiped about in the community. Often someone	While it is rare to see the accuseds name be publically written about for a regular DUI, domestic, or shoplifting case	e in a big city like Toronto or Ottawa, in smaller towns and
information about the charges. What if my charges are later dropped or I am found not guilty? Will my name still be publically associated with the charges? The outcome of your The problem most accused have is that the media or the police will release their name and what they were charged with but do not follow up afterwards to say the charges were	case is also a matter of public record. Anyone can request a copy of the charging document (called the information	n) which will show what ultimately happened with your case.
system this is okay because everyone is presumed innocent until proven guilty in Canada. Practically speaking however an allegation can damage a persons reputation in the eye when they themselves are subjected to a false allegation. Most people do not realize that all the police need to press charges against someone is a witness to state that they saw	es of their family, friends, or employers. Sadly most people presume that the police would never charge someone w	ho is innocent. They often only learn this is not the case
Sometimes the alleged victim is the only witness (commonly referred to as he said/she said cases). The police do not need a confession or video evidence to lay charges. All they allegation cases. seem daunting, but it can easily be done with a few clicks of your mouse. All you need to know is their full name and where they were arrested or are being held. In this article, v and the county they were arrested in. Search the inmates name in an online inmate locator to find their record and where theyre being held. If you find out where they're being he	weve laid out all the resources to help you find someone in jail or federal custody. To find someones prison or jail reld, consider calling the police station or jail to learn more about their arrest or sentence.1Gather information about	ecords, you need to know their full name (spelled correctly) ut the person youre looking for. The more information you
have, the easier itll be to find out if that person is (or has been) in jail. At a minimum, have the individual's full name on hand. Other identifying characteristics, like their birth da with a nickname and date of arrest. However, this information alone isnt useful with online resources or databases. 2Determine if the person is likely in jail or prison. Typically, t	those housed in jails have been arrested but havent been arraigned, are awaiting trial but havent been released on	bail, or are serving sentences less than 1 year in length. If
someones serving a sentence longer than 1 year, theyre usually in prison.[1]For instance, if you just saw this person a few days ago, chances are they havent been arraigned yet finding accurate records can be easier if you know what jail or prison theyre in. If the individual was recently arrested, they'd likely go to the jail of the county they were arrested sometimes jails will transfer the inmates during their sentence. Advertisement 1Use an online search engine to find a countys law enforcement website. If you know where the person a few days ago, chances are they havent been arraigned yet finding accurate records can be easier if you know what jail or prison theyre in. If the individual was recently arrested, they'd likely go to the jail of the county they were arrested sometimes jails will transfer the inmates during their sentence.	d in.Additionally, if someone is awaiting trial or arraignment, theyll most likely be held in jail in their home county	or whichever county they were arrested in.However,
county's website instead. Find the countys website by searching [county] law enforcement website online. Scour the website for tabs associated with inmate care, or use the website searchable databases of the people being held there. Usually, you don't need anything more than a person's name to search the database. [2] Look for key terms like county sherif	sites search bar (if theres one available) to search find an inmate.2Search the county websites law enforcement da	tabases (if available). Some county jail websites have
inmates.Not all online databases are updated often, and their information could be outdated. If you find the person youre searching for through a database, confirm that the individual neighboring county. Determine the counties surrounding their home county and search those websites as well, or try using a states inmate locator. Find a states inmate locator determine the counties surrounding their home county and search those websites as well, or try using a states inmate locator. Find a states inmate locator determine the counties surrounding their home county and search those websites as well, or try using a states inmate locator.	ridual is still there by calling the jail directly.3Check the websites of neighboring counties. If there is any chance the atabase by searching [state] inmate search online.Remember, these resources may only list counties with an online.	ne individual might be held elsewhere, itd likely be in a e inmate locator and not list neighboring counties that can
only be contacted by phone.4Search the Victim Information and Notification Everyday (VINE) program. VINE is a service that allows victims of crimes to obtain information about identification number.[3]Register to be contacted by VINE (either through email, text message, or phone call) when the offenders custody status changes, or download the app to	o receive notifications.Most states contract with VINE to provide service; however, in some states, VINE is only av	ailable in certain counties or not at all.5Search the Federal
Bureau of Prisons (BOP) inmate locator to find federal jail inmates. If youre trying to locate someone who could be in federal jail instead of a county jail, then the Federal Bureau of Prisons website only has records for inmates that were incarcerated from 1982 to the present. To use this website, you need to know the persons first and last name an circumstances, garden variety crimes are punished under state law, while crimes that take place in multiple states or violate a federal statute are punished under federal law. For	nd their proper spelling.Keep in mind that the Federal Bureau of Prisons' website only applies to people held in fed	eral custody, as opposed to state crimes. In most
nationwide online inmate locator as a last resort. If youre unsure where the person is or was arrested or housed, try using a nationwide inmate locator website. In an online sear pop-ups or fees are most likely scams. Advertisement 1Call the county jail or clerk of courts office for information. Speaking directly with a county jail officer or clerk can help you	ch engine, search find an inmate to pull up various inmate locator databases. Opt for sites like The Inmate Locator ou obtain the information youre looking for, especially if you dont have access to online records.[4] Call a non-emer	that dont have ads or cost anything. Websites with lots of gency county law enforcement department and ask to speak
to someone about a specific arrest or inmate.[5]Find the non-emergency number for your desired county on the countys website or by searching [county] non-emergency number correct department. Keep in mind that you may not be able to obtain detailed information about an inmate without proper documentation or information. For instance, legitimate	family members of an inmate may be able to obtain more than a friend.2Ask to speak with a recently arrested ind	ividuals arresting officer. If you still cant locate the person
youre searching for, but know which department or officer arrested them, talk with them. This is a long shot, but knowing the details may help you find the arrested individual. Feature youre contacted everyone possible and havent found the arrested individual yet, wait a few days and then try again. It can take a while for new information to be updated within in jail. Consider filing a Missing Persons Report if this is the case.
