Given article text here "2003 Honda Rancher 350 with electronic shifter, only 500 miles on it, still has tires with 'nipples'. Picture attached. A quote from Jefferson: "A government big enough to give you everything you want, is big enough to take away everything you have." I sold a similar model for \$2500 last season. Southern Honda is selling new 2007 Rancher 420 ESs for \$3583. Worth checking the Sell and Trade section too. Recent sales have been stuck at lower prices with no luck. What's worth on paper vs what sells might be different. If you're thinking of selling, PM me."
