

Zombie Driver is an Action, Racing, Top-Down, Survival and Single-player video game created by Exor Studios. The game takes place in the post-apocalyptic world overrun by zombies. It gameplay comprises blood, cars, explosions, and speed. It embarks you on an epic adventure to accomplish various challenging missions, save civilians, kill zombies and unlock further vehicles. Zombie Driver is played from a top-down perspective similar to GTA 2. There are eight different vehicles, and you can select one of them. Each car has similar weapons, steering, movement, but has various properties regarding top speed, acceleration, and resistance to damage. You can equip your vehicle with different equipment and weapons from the booster to machine gun. It has two different modes such as Slaughter mode and Race mode. The ultimate task is to explore the game world, fight against zombies, and smash them using your driving skills and weapons. Rescue inhabitants of the City, and complete a series of challenging missions. Zombie Drive offers prominent features such as Epic Boss Fights, Transporting Cargo, Thirteen different Cargo, Unique Zombies, mini-guns, dual railgun, and more. Zombie Drive is the best game to play and enjoy. In today's article we are going to list the Top 10 Best Zombie Games for Android, ranging from intense first person shooters down to survival games which will have you feeling like you're the one who can save the world from an Apocalypse.10. Dead Effect 2 GameplayFirst up on our list is Dead Effect 2 GameplayFirst up on our list is Dead Effect 2. a good first person shooter which has some of the most beautiful graphics of all games on this list. The game is fun as you make your way through the story, spending a large portion of your time blasting through hordes of zombies, monsters and other sci-fi creatures. It contains a fun RPG element in which you can level up your character, upgrade your weapons to tear through monsters and around 30 hours of gameplay. There's a good amount of content in the game and it is about as close as you will get to playing Dead Space on your handheld Android deviceZombies are even less plesant in space9. Dawn of Zombies GameplayNumber 9 on our list is Dawn Of Zombies, a game set in a world known as The Last Territories, where everything seems dangerous including other humans who survived the massive fire in the old world. You will fight against disease, radiation, hunger, zombies, mutants and your fellow man, simply to stay alive as you traverse the hundreds of quests available in the game. Humanity must survive at all cost. It's a great game, and has a lot of fun things which will keep you entertained, including building a base, looting for supplies, crafting items such as the death combat bicycle and slaying your way right through the story mode in endless hours of fun. In a world without hope, only the strong survive8. Kill Shot Virus GameplayKill Shot Virus GameplayKill Shot Virus is a fairly decent first person shooter, offering a large amount of zombies to shoot and kill. It is one of the newer freemium games on the android platform, and is making a name for itself. The graphics are good, the controls are easy to manage and the story mode has over 100 missions which are sure to keep you entertained as you slay horde after horde on your breaks between missions. The game has a great multiplayer aspect accompanied by leaderboards, which is always a good idea as we all love to see ourselves slay more zombies than our best friend. The only complaints normally stem from the freemium aspect, which offers the players better options for a small price, but sometimes it's worth it, especially when it helps one slay zombies at a greater pace. Nonetheless it's a great game. Ready, aim, slay7. Plants vs. Zombies 2 Plants vs. Zombies 2 GameplayPlants vs. Zombies 2 is the tower defense game that needs no introduction, and is one of the original zombie styled survival games that the majority of us have played for endless hours on our phones. It features retro, but respectful 2D graphics, and within the game there is alot to keep you occupied, such as spending your time crafting or building a base to withstand the many hordes of zombies. Your character needs a consistent supply of food, rest and water which gives this game the authentic survival feel. The gameplay can be hectic at times, but never in a bad sense, and plays relatively well as you progress through the game. This game is certainly one for those who like to jump in and out of zombie survival games, so why not be one of 100 million people who have downloaded this highly addictive action strategy game, and amass an army of plants to tear through the undead. Which team will you join, plants or zombies? 6. Into the Dead 2 Into The Dead 2 GameplayThe premise of Into the Dead 2 remains the same as the prequel, you try to survive in a post apocalypse, shooting zombies until your bullets run out, then dodging them as you look for the green smoke that signals more ammo. The story mode helps to keep players interested as you can only proceed after you have survived to a certain distance. From the start there are plenty of weapons to choose from as you proceed on your zombie slaying quest, including shotguns and assault rifles, and for those who can be patient against the sands of time will eventually be awarded crossbows and sniper rifles. The weapons do need to be unlocked and leveled up to reach their full destructive potential, which can be done through the collection of cards. There are a bunch of missions, challenges and even dogs to join you on your survival quest. Alongside this, the graphics are good resulting in a game that is enjoyable and free to play on all android devices. So lock and load and get ready to run. So little time, so many walkers to slay5. Unkilled Unskilled GameplayUnskilled comes in at halfway on our list. It's simply a game similar to Dead Trigger 2, and in some ways its successor. It features great graphics, a bunch more missions, boss fight showdowns and an online pvp gamemode. As you play through the game, you perform well organized missions, collect deadly weapons and can choose between two types of online PvP. The first is a first person shooter, and the other is Skirmish Ops, both are great additions to the game. There is an interesting feature, which is the auto-fire mechanic that instantly starts shooting your gun as soon as your crosshairs pan over a zombie. While it seems like it takes away skill, it becomes very useful as your progress through the game. All in all, this is a great game and probably holds the title of the best first person shooter on the list. So if you like to get up and close, and blast zombies in the face with an assortment of weapons, this game is for you. Ain't no zombie stopping my box magazine4. Last Day on Earth gameplayLast Day on Earth is a survival game with zombie slaying, adventuring and open world elements, that's sure to get all people across the spectrum of gaming interested. You will start out with nothing but your underwear, and go on to learn how to build a base through scavenging for items and materials. You can steal items from survivors if your heart desires, and of course slay zombies or else they will eat your brain. The game also features dramatic seasonal landscapes, crafting elements, and plenty of extra side things to be achieved. Although this is more of a survival as the zombie influence is minimal, there is still enough slaying of the dead to keep both sides of the zombie-survival games, Last day on Earth is well worth a shot at playing. Feeling like you are trapped on this map gives you the courage to fight, explore and make use of all you can in this thrilling survival game. Started from the bottom, working to the top3. Zombie Gunship Survival GameplayZombie Gunship Survival is number 3 on our list, and is one of the newer zombie games for Android. It's the most recent of the Zombie Gunship series, still having the same basic mechanics as the first game where you attack zombies from the sky. While you remain in your gunship slaying zombies from the clouds in order to save people, it has introduced some new elements such as being able to build a base, deploy your own troops to wage war on the undead and kill larger hordessit. than the first game. The graphics are certainly fractionally better than the first one, and the game in itself feels unique and one of a kind on the Android marketplace. The core gameplay of mowing down zombies while sitting in your gunship is entertaining. While the grind required for new items is motivation enough to keep you playing the game seeking the reward of awesome upgrades. This is certainly a game that can keep you entertained for a while.Nothings beats raining down hell fire from above on the undead2. The Walking Dead: Season One GameplayThe Walking mobile. It was made by Telltale games, and is one of the very few zombie adventure games they have created. You play through the story as Lee Everett, a convicted criminal, who tries to get through and find meaning in life in a post-apocalyptic world, filled to the brim with undead walkers. You are immediately thrown into stressful situations which demand you to make decisions that you don't necessarily want to make, and forces you to adapt in a world which you do not understand, nor can you predict what's going to happen. The Walking Dead is an emotional, raw and real game, one in which you do not understand, nor can you predict what's going to happen. The Walking Dead is an emotional, raw and real game, one in which you feel a true connection to the characters who are presented before you. It's a real masterpiece of a survival game, and brings to mind what really matters once everything is ripped away from you. The experience is great in this game, not only because it's fun to play and reasonably priced, but it has a story mode that sucks you in and keeps you entertained much better than the other best selling games of this genre. Work as a team, or die one by one1. Dead Trigger 2 Dead Trigger 2 GameplayDead Trigger 2 is one of the older games on this list, having been first released in 2013, but with consistent updates, it has kept this zombie game relevant over the years, and in the eyes of fans, the best zombie game you can play on your android device. The game features a ton of exciting missions and some of the best first person shooting mechanics that you can expect to see on your device. Weekly missions and plenty of weapons to collect helps to keep the game entertaining in the long run. Similar to the original game the graphics are very nice and ahead of their time in this niche of mobile gaming, as well as being bloody and full gore. There are finer details in the game giving a realistic feel such as water droplets falling into your vision when you get overwhelmed and go up against some super zombies on your quest to save humanity during this apocalyptic era. Other cool features are the hideouts, where you can build a workstation and upgrade your items. You can craft everything from medical supplies to explosives, and everything you'll need to survive the undead. upgrade increases your efficiency, making you a faster undead slayer. While the game is older, it plays better than most newer zombie survival and FPS games and is still a great game to jump into today. For this reason we have given this the number 1 spot in our list 'The Most Fun Zombie Games are popular everywhere. The amount of excitement and thrill involved in this genre of games cannot be explained in words To experience a true adrenaline rush, playing zombie-themed games is the best option. Zombie killing games are both scary and entertaining. Maybe this is why we have prepared a list of the best zombie games for both Android and iOS users. Go through the list below and select a game of your choice.Let's start our list with Zombie game ideal for both adults and kids. Unlike other zombie games, it's not scary or gory. Instead, it features cartoonish graphics and cute-looking zombies. It has been downloaded over 200 million times around the world. Hordes of zombies attack the city. Assemble all your plants and stop the zombies from breaking down your door. There are more than 50 fun levels available. With each passing level, the game gets harder and harder. It features a variety of fighter plants as well as zombies. You must find a way to reach your home. you need to utilize the available resources very wisely. Earn 49 powerful perennials and get stronger with the game. What Left 4 Dead and State of Decay is to PC players, Last Day on Earth: Survival is to mobile players. You do more than just shoot and kill zombies in the game. It tests your survival skills by putting various challenges on your way. From collecting resources to raw materials and building a protective base, you must do everything to survive. As you level, new blueprints and recipes will be available to you. Amid zombie attacks, you will find true friendship in smart shepherd dogs and playful huskies. Using the available to you can access remote locations to get the rarest resources and blueprints. This game has been a huge success since 2017. With millions of active players, it is one of the best zombie and survive amid the apocalypse, this game is for you. Dead Trigger 2 is offered by Madfinger Games, a popular name in this realm. This game was first released in 2013 and was an instant hit. Back in 2013, mobile phones didn't support high-end graphics. Despite that, Dead Trigger 2 didn't fail to leave an impression. This is one of the fast-paced zombie mobile games available. It has been downloaded over 110 million times and is relevant today. If you are looking for the ultimate zombie game, this is for you. In this FPS adventure title, you are required to build your hideout, unlock different regions and come up with a full-proof strategy to save the world against zombies. With intensive storytelling, countless weapons, and 600+ war scenarios, you will never get bored of playing. Dead Target is a highly addictive shooting game where you kill hordes of zombies and protect yourself. It is an easy-to-play title with the perfect shooting adventure. The best thing about the game is that it can be played offline. When playing Dead Target, you should always be ready with your gun. Amid an apocalypse, zombies to save mankind. Turn yourself into a zombie hunter and kill as many zombies as you can. This is the only way you will survive. This offline title offers a set of powerful 3D weapons, you can deal with non-stop zombie attacks. The more zombies you slay, the better it is for you. If you are ready for a strategy survival game, you should try State of Survival: The Joker Collaboration. The Joker-inspired storyline is what makes this title more exciting. It's a game of survival, where you fight laughing zombies and unlock the Joker. The apocalypse has engulfed the whole planet, and you and your friends are the only survivors. To win the battle against the zombies, you need to give your all. From building a city to controlling the plague, the fate of the earth is in your hands. Players need to gather coins, gold, and anything necessary to survivors to strengthen your numbers against the attacking zombies. If you are tired of playing the same style of zombie mobile games, you should try Zombie Catchers. Even if you don't like zombies, you will like this game. You can play it without an internet connection. Instead of shooting or killing zombies, you catch zombies to make zombie juice and sell it to the public. Surprisingly, everyone likes the zombie juice and are lining up at what can be described as the future Starbucks! There is a large variety of zombie juices in production. To make the best juices, you need to capture certain types of zombies. You can hunt down zombies and sell them to hungry customers. This zombie-themed title is packed with epic action scenes. It is one of the most talked-about games in this realm. With intense gameplay and incredible visuals, it is ideal for survival horror lovers. In a world full of gruesome zombies, you must fight to survive. You need to do everything it takes to protect yourself. There are dozens of powerful weapons available that will help you stay alive. You unlock new weapons as you progress through the gameplay. Besides the main storyline, there are many mini-goals and missions. You need to take on the challenge your friends to beat it. If you like a strategy-based game with a zombie theme, you should try Last Shelter: Survival. Even though it is promoted as a zombie apocalypse title, it's not exactly a zombie game. But zombies do play an important role in this title. Last Shelter: Survival is mostly a combat game between players, where zombies are just a side guest. Or you could say a secondary objective. The player's main goal is to acquire more power and expand his troops. Also, there are plenty of attacks in the game. This proves the point that it's more of a combat game. It features realistic graphics, where everything from the heroes to the units seems very real. It offers a true post-apocalypse experience on your mobile screen. Battle zombies, build your empire, and survive till the end. That's all this game is about.Dead Trigger is a great game to play. It hits quite a few spots, like boasting a nice interface and good graphics. However, you shouldn't compare it to console zombie games. This game offers a powerful and exclusive collection of weapons and equipment. But you will need a bit of extra monetary investment to access all of it. The best thing about the game is the variety. What we mean is that it doesn't get repetitive too quickly. The zombies are strong and attack from different angles and at different speeds. You must stay focused to tackle the monsters as soon as you are attacked. The title itself gives away that this game is based on the popular TV series of the same name. But arguably, the game is better than the series in several aspects. This is an episodic adventure game by Telltale, which is all about character development and meaningful narratives amid zombie carnage. It covers multiple dark themes, such as suicide and cannibal family. Players take over the role of Lee Everett, a convicted criminal who has been given a second chance at life. With the dead coming back to life and survivors trying everything to maintain their safety, Lee must protect an orphaned girl while surviving the dangerous events. Zombie title for mobile players. It is a mix between a racing and a shooter game, where your driving skills and shooting skills are your biggest and only allies. There are two modes available, including the usual story mode and endless mode. With in-game cash rewards, you can unlock more difficult at higher levels. The longer you last, the scarier it gets. It includes intense zombie-blasting action with brilliant 3D graphics and powerful soundtracks. As the title suggests, this game is all about smashing zombies. Get behind the wheels and smash as many zombies as you can. Build a strong defense and protect yourself and your town from the invading zombies. This game is easy to play. With a simple finger tap on the screen, you can crush and eliminate zombies. But you must stop them before they attack you! While killing the zombies, you need to be careful about not killing the zombies, you need to be careful about not killing the zombies. keep yourself entertained for hours. If you are ready to shoot and battle the undead to protect your empire, Last Empire: War Z is the game for you. It is a strategy RPG war game, where you are required to build an army by joining forces with other players from around the world. Plan and attack with your zombie army and prove yourself the strongest commander. This war strategy title is packed with unique features that make it addictive for players. If you are not scared to participate in brutal zombie warfare, you should try this game. The Walking Dead's hit TV show. It brings extensive game modes to give you the best zombie apocalypse gameplay experience. This is one of the highest-rated zombie games out there. It is a graphic game with lots of bloody scenes. There are various missions to kill humans and mow down zombies. The storyline gets interesting as the game progresses. Collect your friends. Next up, we have Unkilled, an exciting zombie shooting game. It has been downloaded over 30 million times and has won awards for its great storyline, engaging gameplay, and easy controls. It gives you the chance to shoot zombies in New York City. Players can select from 5 unique characters and join the force to kill zombies. The main objective is to save the city from the invading zombies. The main objective is to save the city from the investing Since this is an online game, you can play it in multiplayer mode with your friends. It includes various exciting features that will keep you engrossed in the gameplay right from the start. In a world where most of the population is turned into zombies, it's difficult to survive. But you must prove your worth by attacking the zombies from a military operations base. Build up your defense and help your troops to complete their objectives. The game offers many weapons that can be upgraded to make them more powerful. As you go deeper into the game, you will encounter zombies with many terrifying abilities that will threaten your squad's safety. But you shouldn't give up and fight till the end.Prey Day is one of the most dangerous and scariest zombie survival just like you. This game offers you the perfect platform to showcase your shooting skills, reaction time, and speed. It is an online, multiplayer game set in a huge city after a zombie apocalypse. It features an open-world setting where you unite with other powerful players. If you consider yourself a pro player, it's time to test your skills. Lastly, we have Survival Games: Zombie. Like most other zombie games, Survival Games features a world hit by a zombie apocalypse. It has turned all humans into deadly zombies. The prime goal is to keep yourself alive till the end.But surviving in a post-apocalyptic world becomes all the more difficult when you are hit with thirst, hunger, and cold. Besides zombies, you will also have to deal with other survivors as they may become enemies in this cruel world. You must always stay alert and build a strong house for your protection. Collect survival tools, weapons, and other resources because that's what will help you survive. If you are a zombie game lover, we are sure that you are not disappointed with the list. These are the best zombie-blasting titles available. Download some of these games for free and feel the thrilling experience of killing zombies and The Walking Dead, but a lot of fresh games like Survivor.io . Updated on December 31, 2024, by Jupiter Hadley and Ivan Spasojevic Whether you're talking about films, TV shows, comics or video games, the zombie genre simply will not die - even with a bullet to the brain. Therefore we decided to enhance the hype and make a list of the best zombie games for Android phones and tablets. We seem to be morbidly obsessed with shuffling crowds of the undead. And if we can jump in and actively smash some zombie genre, there's nothing of the sort. Rather, there are a whole bunch of different genres that have received a zombie theme, from tower defence to first-person shooters to RPGs for Android. All these titles really good fun. If you're hankering for some undead-bashing action, check outfind they feature the undead and that they feature the undead and that they feature the undead and that they for some undead-bashing action, check outfind they feature the undead and that they feature the undead action, check outfind they feature the undead and that they feature the undead and that they feature the undead and they feature the undead action, check outfind they feature the undead action these Android zombie games. Click Here To View The List » A sharp dungeon crawler with a neat zombie twist, Death Road to Canada has way more charm and brains than your average undead blaster. It is all about party management and (tough) decision-making since you need to come up with the best plan to get to... Canada! It was designed to be as replayable as possible, as each run is randomly generated. If you're looking for a compelling adventure zombie shooting game, to play for a long time, this is as good as it gets! Download Death Road to Canada Plants vs Zombies is one of the key titles in the rise of the tower defence game. It's worth noting that it has been around for a considerable while, and it's as good as ever. There's also Plants vs Zombies 2, which is the sequel that has a lot more challenging content than the first. We've covered them plenty in the past, but if you haven't played any of them yet, then you can dive in anytime. There are plenty of events and PvZ feels like it celebrates Halloween every day! Download Plants vs Zombies or Download Plants vs Zombies or Download Plants vs Zombies as a grim parody of the popular educational game The Oregon Trail, but Organ Trail takes it to the next level. It is fun, filled with zombies and pixelated - just what one might expect from a brilliant old-school zombie game for Android. If zombies and odd humour are something that you like in your games, then make sure you give this one a try. Download Organ Trail: Director's Cut The sequel to PokPok's eerie first-person auto-runner Into the Dead received a much more action-focused sequel in the form of Into the Dead 2 remains a highly atmospheric zombie game that is hard not to fall in love with. If you played the first Into the Dead or even 7 Days to Die and you liked them, chances are you'll love this pick. It's a great mobile title from every point of view. Download Into the Dead 2 It might not sound like much, but Stupid Zombies 3 is actually so much fun and filled to the brim with so much fun and filled to the brim with so much zombie brain-mashing that it's not even funny. There are plenty of levels to dive into (over 200 to be somewhat precise) and you always need to come up with the best strategy to maximize your gains. With only four weapons to pick from, some of you might think it's not enough. However, the physics and bouncing of bullets are exciting, which evens out the lack of options. Download Stupid Zombies 3 Telltale's Walking Dead games are all about making tough decisions that have brutally meaningful narrative consequences. In other words, a whole lot of major characters get munched by zombies. Not your standard Android zombie game where pieces of flesh keep getting torn away and that's it. There are also several seasons (or episodes, if you can never get enough of this juicy zombie series, you'll love this. Download The Walking Dead: The Game Flat Zombies is a shooten with a rather simple premise and controls. Although, the graphics aren't something that you'll talk to your friends about. Then why did it get here, some of you might ask? Well, it will release a lot of frustration through your fingers. We mentioned that the premise is simple, so let's talk about that. It's a side-scrolling shooter where hordes of zombies will come at you and you'll have to shoot them and push them away. Now the interesting part is that there's a lot of carnage on the screen, blood splatters everywhere, and you can, for example, knock the zombies' legs off and they will keep crawling towards you. Absolutely brutal, so it's not a title that we would recommend to kids. Download Flat Zombies If you are looking for a massive world, full of strangers, to help you fight off hordes of undead, Undawn is the place to go! The outside of your stronghold is surrounded by zombies, all looking to get in and destroy anyone in their path. You and your friends need to decide who will be guarding and fighting off any undead. As it's an MMO, there was a large focus on the social elements, allowing you to work together with strangers and friends, level up weapons, and help each other survive. Download Undawn A pixelated fun little game that takes the name of Dead Ahead can only mean one thing - there are plenty of zombies in front. of you, and your goal is to crush them all. Sure enough, rummaging through hordes of the undead is super fun when you're at the wheel of a bloodstained school bus! It's an extremely fun title if you like the adventure and strategy genres, and given its neat 8-bit approach, Dead Ahead feels just right. We even have some beginner tips to help you out! Download Dead Ahead This autoplay zombie roguelite has taken the hearts of many fans of autoshooters like Vampire Survivors. There are a few differences, but it plays the same for the most part. It's not as simplistic-look as Vampire Survivors with its early '90s vibe. Instead, this one has cartoonish graphics and it's very flashy. Other than that, you'll just move your character that's going to destroy waves of different enemies with various weapons. Each time you get enough experience you'll get to upgrade another weapon, or rather ability and there are several ways to evolve them. Our Survivor.io tips will be of great assistance in case you'd like to try out this survival roguelite. Download Survivor.io A dangerous journey awaits you, so you need to get away from the killer worm that will follow you around. Gradually, it will be possible to upgrade various elements of the car (wheels, motor, and so on.), which will require coins. It is also important to accumulate the energy that you need to bypass all enemies. If you successfully complete the levels, you can get a lot of valuable rewards and achievements. Download Mad Zombies The next one on the list is a simulator where you have to survive in a world full of disease, hunger, radiation, and dangerous zombies. If you want to stay alive in Dawn of Zombies, be sure to craft the most powerful weapon and armour. Indeed, there are more than 150 blueprints of different useful items that will be helpful in a post-apocalyptic world. One of the best things about Dawn of Zombies: Survival is a world that feels genuinely dynamic and alive. It is a game with varied gameplay, epic boss fights, an exciting story, trade, and many interesting events. Download Dawn of Zombies: Survival In casual strategy experience Infectonator, you are the zombie plague-bringer. It's your gruesome task to ravage cities with brain munchers. And while this is the original, there's also a sequel (actually a third part -Infectonator 3: Apocalypse) which is arguably just as good, if not better. It's up to you to decide how you want to fight your way through this pixelated Android zombie game, so pick it up and start right now! It's worth it! Download Infectonator A decent strategy game based on the most popular zombie TV show ever made, and another TWD title to make an appearance on this list. No Man's Land lets you build up your very own post-apocalyptic community, under the tutelage of Daryl himself. Just like we mentioned with the previous ones, and will continue to do so with any more The Walking Dead features on this list (which spoiler - there will be more), it's a must-play if you love the show and comics. Download The Walking Dead: No Man's Land Plants vs Zombies Heroes bravely messes with the lane defence genre of the original in the sense that you have the same plants (and mandatory zombies) we know and love, but it's arguably less eventful than Plants vs Zombies 2. The gameplay is pretty slow especially when comparing it to Clash Royale, but if you don't mind that, then it is a fantastic zombie game to play any day. Download Plants vs. Zombies Heroes No, we didn't just make up a word based on 'genocide', it's the developers that did that. Zombicide: Tactics & Shotguns is not particularly involved or deep, but this board game conversion provides a healthy dose of light tactical RPG action featuring a bunch of brain-munching zombicide: Tactica & Shotguns review if you're interested in reading further, so make sure to check it out. It might just be what you're been looking for! Download Zombicide: Tactics & Shotguns Puzzles & Survival is another Android zombie game that takes match-three and mashes it with zombies and strategy. Sounds fun? Well, it's extremely addictive, and if you know a thing or two about match threes, then you're probably aware of the fact that they can get difficult fast. Oh, and in case it has got your attention, and you want a solid headstart, use these Puzzles & Survival codes - they will get you valuable freebies! Download Puzzles & Survival codes - they will get you valuable freebies! Download Puzzles & Survival codes - they will get you valuable freebies! that much more interesting. If you're not into fast-paced zombie shooters - or shooters in general, for that matter - then chances are you will enjoy Dead Trigger 2 for the sheer fact that it's extremely smooth and rather forgiving. For that alone, it's one of our favourites and probably one of the best zombie games for Android phones and tablets. Download Dead Trigger 2 War of the Zombie could basically be described as XCOM with zombies but from a more zoomed-out and top-down perspective. It is highly strategists and tacticians. The one downside to all strategists and tacticians. essence of the game, if you may), but if you can see past that, then you've got a brilliant strategy zombie game. Download War of the Zombie bet with no less impressive gameplay. Another title that understands how silly and darkly funny zombies can be, Zombie Catchers is an action-platformer that has you harpooning zombies and feeding them to unwitting punters. It's casual, it's fun, and it's fantastic if you want simple fun that won't require you to have a diploma in zombie killing. Give it a try! Download Zombie Catchers The popular Guns 'n' Glory tower defence series gets an undead twist, as you take control of four gung-ho girls fighting back a zombie outbreak. One could argue that it's better than the original, but that's up to you to decide. We stand by our choice, which is that it looks and plays great, and the zombie aspect is just a plus. Note that it has a vivid palette of colours, and the artwork is pretty cartoonish, so it's pretty safe even for your kid. Especially since you can hide all of the paying options behind a password so they can't make any random purchases. Download Guns 'n' Glory Zombies Yet more first-person zombie shooting from the Dead Trigger developer, Unkilled still has you legging it around small maps blasting the undead in first person. That's fine by us, but if you're ng more laid-back, you can shift your attention to a previously mentioned title in the list, Dead Trigger 2. Otherwise, Unkilled The Walking Dead: Survivors is yet another base builder, but one which sees you expanding your post-apocalyptic shelter in the company of (very) famous and beloved characters from the show. It even has some gacha involved to let you recruit Darryl, Michonne, Glenn and everybody else. It's fantastic and it looks great - that's not enough to make it one of the top zombie games for mobile of all time though, so we'll add in the fantastic aspect of the gameplay too. That should do it. Oh, and let's not forget our The Walking Dead: Survivors codes - that's more like it. Download The Walking Dead: Survivors State of Survivors codes - that's more like it. Download The Walking Dead: Survivors State of Surviv combines zombie battles with classical base development and much more. It can become addictive fairly quickly - at least, until your HQ requires a day to complete the upgrade. In the meantime, you can check our State of Survival redeem codes and even a guide on which heroes to pick for each game mode! Both will be of major assistance to a new player. Download State of Survival We haven't had one of these on this list, so how about leaving the ground to the zombies in favour of something a lot safer - the air? Blasting zombies from the comfort of an AC-130 gunship sounds like a lot of fun - and it is. But Zombie Gunship Survival also stirs in base-building elements for an extra edge. It's a fantastic title that has realistic graphics, and physics and it's well worth trying out if you want an astounding zombie frolic. With this, our list of the best Android zombie games is concluded. Did we miss out on any of the brain-eating spectacles that you are aware of? Let us know in the comments below! Download Zombie Gunship Survival Next Up Top 8 best Marvel mobile games Sign up! Get Pocket Gamer tips, news & features in your inbox Only this hero can put a stop to the hundreds of zombies Survive the virus threatening the world Shoot up this gang of zombies and humans rages on War against the zombies! Ever since Resident Evil made its debut, zombies have been at the top of the horror genre. It's a versatile genre that can take the zombie dysopia seriously, such as The Walking Dead series. Games like Plants Vs Zombies 2, however, could make you look suspiciously at your local flora. Nonetheless, many of them are among the best games on Android, and shortlisted them into this one convenient list. Related Every must-play game that came out this year Google Play" data-modal-id=singleimage-modal data-modal-container-id=single-image-modal-container data-img-caption=""> What would you do if a zombie outbreak were to happen? Apparently, the guy in Dead Ahead decides to make his escape on a scooter. He's also determined to wheelie over as many of the undead as possible. Take control of the hero and his scooter and try to rush past obstacles, jump ramps, and kill zombies while you accumulate a top score. Dead Ahead throws bigger challenges at you the further you get. But fret not; collected points allow you to purchase better wheels, from dirt bikes to choppers, weapons, and even locations that boast greater rewards. Dead Ahead has an appealing visual style and fast-paced gameplay that will keep you coming back for another race. Thankfully, most of them return the favor by joining your base of operations and crafting valuable supplies. Control your character by using digital on-screen controls and guide them through desolate ruins. Fend off zombies by using various weapons and help survivors in need to possibly gain new allies.Unlike Dead Ahead and its sequel, Dead Trigger 2 has a more serious vibe to it. Google Play" data-modal-id=single-image-modal data-modal-container data-img-caption=""> Google Play" data-modal-id=single-image-modal data-modal-container data-img-caption=""> Google Play" data-modal-id=single-image-modal-container data-img-caption=""> Google Play" data-modal-container-id=single-image-modal-container data-img-caption=""> Google Play" data-modal-container-id=single-image-modal-container data-img-caption=""> Google Play" data-modal-container-id=single-image-modal-container data-img-caption=""> Google Play" data-modal-container-id=single-image-modal-container data-img-caption=""> Google Play" data-modal-container data-img-caption=""> Google Play" data-modal-container-id=single-image-modal-container data-img-caption=""> Google Play" data-modal-container-id=single-image-modal-container data-img-caption=""> Google Play" data-modal-container-id=single-image-modal-container data-img-caption=""> Google Play" data-modal-container data-img-caption="" (") Google Play" data-modal-container data-img-caption img-caption=""> The apocalypse finally happened! Zombies have taken the world by surprise, and allegedly, there's only one safe place left on Earth. Take control of an unlikely cast of survivors as you traverse the treacherous roads between Florida and Canada. Death Road to Canada is an undead-filled action RPG in which you face off against hordes of flesh-eating monsters. You can recruit new characters to your cause to bolster your offensive capabilities. But it comes with a downside as each character requires a weapon and consumes valuable provisions. Death Road to Canada goes for \$9.99, but it's also included in the Play Pass subscription. Plus, you get jokes written by an actual Canadian, which ensures the trip to Canada is genuinely humorous. Google Play" data-modal-id=single-image-modal data-modal-container-id=single-image-modal data-modal-container data-img-caption=""> Doomsday is an isometric adventure game that throws you into a world ravaged by the undead. It takes obvious cues from popular games in the genre, such as The Last of Us and Lollipop Chainsaw. For example, a group you take control of consists of a gruff middle-aged man with a fluffy beard and a brash teenager wearing a baseball cap. Doesn't that sound like Joel and Ellie? Early on, you also meet a vibrant girl in a school uniform who takes out zombies with a pink... chainsaw. During frequent encounters against zombies, you can use conventional weapons and abilities unique to each character. Google Play" data-modal-id=single-image-modal-container data-imgcaption=""> Google Play" data-modal-id=single-image-modal container-id=single-image-modal-container data-img-caption=""> Dysmantle is an Android game that has already garnered many positive responses on the Play Store. Prepare to partake in almost every survival aspect of a zombie apocalypse: foraging and cooking to hunting and scavenging. The game's main selling point comes in the form of being able to break and salvage materials from almost any object. Turn materials into weapons and supplies to help you fend off the undead as you inevitably venture out to explore the apocalyptic wasteland. At \$9.99, Dysmantle is also a fairly expensive title for a mobile game. That said, it's a small price to pay for never seeing a single-image-modal-container-id=single-imag scooter certainly has style to it, but Earn to Die 2 gives you control over a more robust four-wheel vehicle. The world has gone to hell, and a rescue ship is waiting for you on the other side of the country. To get to it, you'll have to plow your way through hordes of zombies. Earn to Die 2 features a number of vehicles for selection, including a police enforcer, and an ice cream truck. As you progress, you'll earn money to upgrade your vehicle with. This could be a new engine or transmission, armor plating or even a mounted weapon to help you on your path. Google Play' data-modal-container-id=single-image-modal data-modal-id=single-image-modal data-modal-container data-img-caption=""> Google Play'' data-modal-id=single-image-modal-container data-img-caption=""> Google Play'' data-modal-container data-img-caption=""" Google Play'' data-modal-container data-img-caption="" "" Google Play'' data-modal-container data-img-caption="" "" Google Play'' data-modal-container data-img-caption="" "" Google Play'' data-modal-container data-img-caption="" " " Google Play'' data-modal-container data-img-caption="" " " Google Play'' data-modal-container data-img-caption="" " " Google Play'' data-modal-container data-modal-id=single-image-modal data-modal-container-id=single-image-modal-container data-img-caption=""> Into the Dead 2 follows the tale of a father who desperately tries to get home to his family. Seemingly endless waves of the undead stand in his way, and it's up to you to guide him across desolate fields and grim forests while evading danger. If you're a Netflix subscriber, you can play Into the Dead 2 at no additional cost. You'll unlock new weapons to defend yourself with as you complete levels and various challenges. Into the Dead 2 strikes a great balance between risk and reward by placing loot right amidst groups of zombies. Do you run for safety? Or risk dying while trying to grab hold of valuables? The choice is yours, and if you choose wrongly, you're dead. Google Play" data-modal-id=single-image-modal data-modal-container data-img-caption=""> If a zombie apocalypse were to break out, the last thing you'd expect is your backyard's flora to retaliate. Yet that's exactly what Plants vs Zombies 2 is all about. EA's vibrant zombie game builds upon the gameplay mechanics established by its predecessors. Plants vs Zombies 2 is all about. melee weapons to fight off the hordes, you'll take control of various plants and their unique abilities. Furthermore, you can improve their abilities by feeding them seeds. Unlike many other contemporary zombie games that focus on action, this title puts emphasis on strategy. And with regular updates and daily tasks, you'll always have something new to accomplish. Google Play" data-modal-id=single-image-modal data-modal-container-id=single-image-modal-container data-img-caption=""> Much like Plants vs Zombies 2, Rebuild 3 takes a different approach to its predecessor. A zombie apocalypse has struck, and now it's all about rebuilding whatever's left of humanity. Rebuild 3 puts you in charge of forming relationships with them. Some will join your noble cause, while others might have other plans in mind. Your survival rests on fixing various amenities and helping those in need. It also depends on your ability to outfit your survivors with appropriate gear because zombies will often barge in to hinder your efforts. Rebuild 3 costs \$4.99 and is included with a Play Pass subscription. Google Play" data-modal-id=single-image-modal data-modal-container data-imgcaption=""> Google Play" data-modal-id=single-image-modal data-modal-container-id=single-image-modal-container data-img-caption=""> Existing as an isometric adventure game, State of Survival puts you in charge of a small group of survivors who band together to form a settlement. To ensure their well-being, you must expand the settlement, collect produce for sustenance, and clear nearby areas of zombies. Much like in Doomsday, you have access to conventional weaponry as well as abilities unique to each character, such as gun turrets, grenades, and much more. Few moments in gaming are as satisfying as mowing down a gnashing horde of zombies with a machine gun. Or as exhilarating as outrunning a swarm of the living dead. Zombies have a special place in our hearts as one of the best video game baddies of all time, and nothing beats a good zombie game. Whether you're the type to go in guns a-blazing, or opt for a more stealthy and strategic approach, there's a zombie game for Android that's right up your alley. Just remember: Don't get bitten! Just remember: Death Road to Canada Why you can trust Android that's right up you can trust and trust and t Death Road to Canada is a \$10 game — I want to open with that just to get the sticker shock out of the way before I talk about how freaking avesome this game is. Facing a zombie apocalypse, you must lead a scrappy squad of diverse characters on a deadly mission from Florida to the relative safety of Canada. Along the way, you'll need to explore and loot places for supplies, while also managing your team's health and morale. Everything within Death Road to Canada is randomly generated, making every play-through a unique experience in this dynamic road trip action-RPG. You can randomly generated with different attributes to help them stay alive, but you probably don't want to get too attached unless you're a really good shot. The controls admittedly take some getting used to, and there's a pretty steep learning curve as you learn which weapons are most effective and what times it's better to fight or run. And you will die, early and often, although that's part of the fun of a zombie apocalypse, right? There's a ridiculous amount of depth in this game, including 10 different game modes to unlock. The price might seem a little steep, but if you're a fan of rogue-like zombie games, it's well worth the investment! Download: Death Road to Canada (\$9.99) Telltale Games: The Walking DeadHow could we not include to unlock. one of the most popular zombie franchises out there? Telltale games hit it out of the park with its series of games based on AMC's "The Walking Dead." The game follows Lee Everett, a convicted criminal, in his efforts to protect an orphaned girl. Telltale Games have a unique storytelling method where the decisions you make throughout the game. including any conversations with other characters, have a major impact how the story plays out. This allows for some variety in multiple play-throughs. You get the first episode in the series for free when you download the app, with the remaining five episodes available via in-app purchases. Download: The Walking Dead Season One (Free w/IAPs)Dead Trigger 2Dead Trigger 2 continues to be the quintessential zombie-shooting experience on mobile. The graphics are amazing, though the game hardly takes itself seriously — there are lots of tongue-in-cheek references and over-the-top baddies to mow down. This version is a little different in that players now have their own hideout and a crew that can build stuff for them. The controls have also been streamlined for touch; all you have to do is move the crosshairs over a zombie, and if you're in range, you'll automatically start shooting. There are many missions to enjoy, and the in-app purchases have been scaled back with the removal of the premium currency — now you can buy and build everything yourself without spending a cent.Download: Dead Trigger 2 (Free)Into the Dead 2 is a first-person game that puts you in the role of a survivor in a post-zombie-apocalyptic world. You must run for your life to stay alive, occasionally finding weapons to help you fight back. There's a surprising amount of variety in this game with a story that spans over 60 stages with multiple endings. Unlock and upgrade your weapons and even play with a canine companion as you explore military bases and survivor campsites looking for other survivors. On top of the unique gameplay, this game also looks gorgeous. It's the perfect game to play with the lights off. Download: Into the Dead 2 (Free w/ ads, IAPs)Plants vs Zombies 2Plants vs. Zombies is one of those classic game franchises that's just so fun to play. I can still remember beating the first one after marathon sessions in University while I was supposed to be studying. Plants Vs. Zombies 2 continues with that winning formula, offering a new campaign that spans over 11 unique worlds spanning all of space and time — from Ancient Egypt to outer space. Collect and choose your favorite plants as you battle against swarm of brain-hungry zombies. It's just classic a classic strategy action game with a splash of zombie fun that's fun and accessible for the whole family. Not your "traditional" zombie game compared to the other entries on the list, but a great game nonetheless and certainly worthy of its spot here. Download: Plants vs Zombie Gunship has always offered a unique zombie Gunship has always offered a unique zombie gaming experiences on mobile. Rather than compete with the flashy first-person shooters or more challenging strategy games, Zombie Gunship Survival has you take to the skies as you offer support to ground troops looking to push back the hordes. The graphics are outstanding as it's got a very authentic look and feel during gameplay. As you complete missions you can upgrade and your weapons and start building out your remote airfield as your base of operations. Like so many other games, your basic duties are to survive and save other survivors. Check out Zombie Gunship Survival if you're looking for a fresh take on the zombie survival (Free w/ ads, IAPs)Zombies, Run! is the perfect app for those of us who really need to be motivated to keep running. Developed by Six to Start, this app has been around for quite some time, but it's always a fun recommendation to throw out there for anyone looking to start a running routine. Simply load up the game on your phone, pop in your favorite workout headphones and head out on your adventure. You fill the role of Runner 5, a

survivor of an ongoing zombie apocalypse that must venture out into the infected lands to collect supplies and find new survivors. You're able to listen to your own music with the story cutting in between songs. If you start slowing down, you might begin to hear zombies following you — a not-so-subtle reminder to pick up the pace. The base app is free, but you can pay a monthly or yearly subscription to unlock all the missions and content at once. If you've never tried it before, it's definitely worth checking out. Download: Zombies, Run! (Free w/ optional subscription available)How do you like to slay zombies? There are our picks, but did we miss your favorite? Let us know in the comments! Get the latest news from Android Central, your trusted companion in the world of Android Do you love playing cool zombie games? Then we have some good options for you! If you love fighting and shooting, try 9 Best Army Simulator Games. In this article, you will find the best games with zombies, available for Android users. Some of these games are free to download and play. Plants vs Zombies 2 This is the second part of a legendary zombies, as well as plants. Another difference from the first part is that you can now play for zombies, not against them. This is a thrilling game mode, with 26 active zombies to use for attacks! The game genre is survival, meaning you must endure as long as you can defending from zombies that want to eat your garden and your brains. Let's see what you can do in Plants vs Zombies 2: Survive in a PvP arena. What you need to do is to locate plants in the arena so that they hit as many zombies as they can. This option requires an excellent strategy and reaction. The game is divided into 50 levels that accumulate their difficulty but still remain thrilling and challenging. Earn achievements you can get. To do it, pass levels and do tasks. Travel through time and space. For instance, you can play in the Egypt of the Ancient Times. The arena of your garden will look different in every gaming mode. Use additional tools to make your plants stronger. If you win a new power-up, don't hesitate to use it in the game. The game has a high rating on the App Store and Google Play. Users love this app for its thrilling levels and simple interface. Most options are available for free. There are in-app purchases as well. They help you to boost your gaming progress and skip levels. Both Android and iOS users can get the app. You may also like: 15 Free Offline Tank Games Here comes another great tactical survival game! In Dead Ahead, you will find yourself in a strange apocalyptic world. The navigation of the game is simple, you won't get stuck in any step. The graphics are also fun - it looks quite old-fashioned, like Minecraft. These are the best functions you will explore: Discover the area to defend and survive on. Try to use it wisely and build a good strategy. Explore other pieces of land. The more land you have, the harder it will be to defend it. At the same time, you have more space to run from zombies. Build your team. It is impossible to combat with zombies when you are alone. This can be a new type of weapon or anything you may use during your defence. Unlock additional quests to make your gaming experience better and more thrilling. In these quests, the principle of the game, you don't need to pay. However, if you would like to boost your game, you can buy a starter pack with additional coins and items. Dead Ahead: Zombie Warfare is available for both iOS and Android users. Into the Dead 2: Zombie Survival This is the second part of the game called 'Into the Dead'. Here you will explore the land that survival game. It is a mixture of different genres. It also has cool and realistic graphics. Here are the basic features of this zombie game: Discover various locations. All of them are different from each other. However, you have to be attentive all the time - every environment has zombies that can kill you. Horrible zombie threats. When you take a fight with zombies, you can't do without an excellent tactic. If you are doing well, the app will analyze your progress and adapt the number of zombies to it. Go through the storyline. You have to make choices all the time. It will have an impact on the endings. Try powerful weapons. The more you play, the better arms you will get. Always check for the improvements available for your weapon. It will help you to be more effective in the fight. There are some in-app purchases. Most of them are guns and arms that will be available for you at once. You won't have to unlock them. Into the Dead 2 is available for you at once. You won't have to unlock them. Into the Dead 2 is available for you at once. fighting against zombies, and trading with other people. In this game, you need to use a multifunctional mode, as you have to keep in mind your defence and trading. Here are the best features you will see in Zombie Shop: Trade wisely. You have to always know what you need to do with your products. Check what you already have and what you lack and build your trade according to this rule. Attract zombies. You have to take fights from time to get cool prizes and items you can sell later. Build strong defence lines. This will help you to fight with zombies and miss fewer resources. Collect costly materials such as metal, chemicals, and plastic. You can become a thriving person by selling these things. The game supports many foreign languages, such as French, German, Italian, Japanese, Korean, as well as many others. The size of the game is pretty big, it can reach up to 400 MB. Both Android and iOS users can download Zombie Shop for free. Imagine the world is on fire and zombies are everywhere. What you are going to do? For sure, you have to survive in this hard and cruel world. To win this game, you have to create a strong strategy and stick to it. Let's see what you can do in this game: At the very beginning, you will find yourself in your shelter. First of all, you explore the surrounding area. Be careful - zombies are everywhere! When you have discovered the territories you will get some items and find other players. Build defence lines using the items you have. This increase your chances to survive. Change perspective - you can play a first-person or third-person one. This helps you to see the area from different angles. Collaborate with others. You can make other people your soldiers and become more powerful together. Go through an exciting storyline. Please remember that every choice you make will have an impact on the result. Craft new items to use during fights. For instance, you can make weapons to kill zombies. Shelter War is free to download. For sure, there are some in-app purchases, but you can easily do without them. It will just take more time to pass through all the levels. The game is available on the App Store, as well as Google Play at no cost. The world has almost come to its tragic end. Shops aren't working anymore, public transport is broken, and most people are dead. You can take a hard fight with zombies, hide or run from them. It's all up to you. The only aim is to survive. What else can you do in the State of Survival? Make friends with other s. You have to look for other human survivors and animals. Make some research. You need to hide from zombies in shelters, but this isn't the only thing you have to do. It's not enough to survive, you also have to save the world by researching zombies and fruits. If a zombie has not killed you, it is only 50% of your success. You also have to trade with others. It will allow you to specialize in some types of products and buy others. Use aircraft will help you to move from one point to another much faster. Stay away from the people who are already infected, as you can get infected too. Hide in shelters as long as you can. Get out from your shelter when you need to find other survivors or get some food for your camp. The game is available at no cost. There are some in-app purchases that can help you skip some challenges, but you can easily do without them. zombie strategy, where you have a chance to survive and save your empire. This game is striking because of its stunning graphics. However, the plot and other features are also cool. In the Last Empire, you can do the following: Build your powerful empire. Plan how you will build objects and defend against zombies that want to kill you. Make alliance with your friends and become stronger together. You can merge your armies, weapons, and create one strategy for your empire. Fight with walking dead and never let them enter your empire and infect or kill those who live inside. By the way, if you love interesting games where you find yourself in a misterious world, read 11 Best Games Where You Are The Villain. We recommend playing on a tablet to enjoy graphics and dive deep into the atmosphere of the game. Last Empire - War Z is available on Google Play, as well as the App Store for free. Zombie Survival: Wasteland Your town used to be a nice place. There were cinemas, theatres, libraries, and stuff like that. But now everything has changed. The world is on fire, a terrible disease caused by pathogen is spreading really fast, wiping out the population and turning them into zombies. You were lucky not to become a zombie. Use this chance and try to survive as long as you can! What can you do in Zombie Survival? First of all, you need to have enough resources, such as wood, stones, food, and weapon. To get it, leave your shelter and try to grab something. Bring it to your home and craft new objects. We strongly recommend that you get a vehicle. But you can assemble it. Have a dog. Not only it will make your life more cozy and fun, but it may also help you fight with zombies and look for food. Learn how to cook. It isn't enough to grow some products, you also have to cook them to make the best dishes. Check your shelter and repair it if necessary. If there is a hole, for example, you have to fix it immediately, or zombies can use it to get into your house. Repair your radio. Don't skip this step! If you do it, you will get the latest news and correct your plan. The app needs about 900 MB to be installed. It is a gigantic game. Zombie Survival is available for iOS, as well as Android users for free. The end of the world has become. And now it is your aim to help the survivors and yourself to stay alive and find a good shelter. If we talk about the game, its genre can be defined as a zombie shooter. You have a weapon and your aim is to take a fight with zombies. Here are the best options you will be one of the survivors in a big city damaged by a terrible infection. Find other players and try to collaborate. For sure, you can also play alone, but it will be much harder. Build clans. It is always better to merge the resources you managed to collect. Then create a plan and stick to it. The more close and collaborative clan you have, the easier it will be to survive. Do some research and create new types of weapons. As you have already understood, the main type of weapon is a shotgun (or another shooting instrument). Discover new locations all the time. When you play the game and move throughout the plot, you may come across some hidden places. Try to unlock them all and get new achievements. This cool zombie game is available for free. There are in-app purchases, though. They help you skip some hard parts of the plot. However, you can easily do without paying money. You can download Prey Day on the App Store, as well as Google Play. Imagine there has been a strong and terrible epidemic that wiped out most people from this Earth. Dark Days has a tactical survival shooter. All you need to do is to However, there are many other features as well. Let's take a look at the most striking options: Build a shelter where you will hide when there are too many zombies. Gather various resources, such as metals, rocks, as well as food. You can also craft new things using what you have. Craft weapons yourself. You can hardly fight with zombies if you don't craft new weapons. Beat bunkers created by other players. This will help you to get new items and cool prizes. Please note the Dark Days: Zombie Survival is a big game. You will need about 560 MB to install and play it. The game is free with some ads. You can get it on the App Store or Google Play. We can define the genre of this game as a fighting fantasy and strategy game. It is also an interactive adventure and a game book. The app has a twisted plot and thousands of choice you can make. You find yourself inside the labyrinths where you have to run from zombies and save your life. Let's see what you will explore in Fighting Fantasy: Exclusive and thrilling death endings. The ending you will see depends on how you move through the storyline. If you stop going through the plot and quit the game, don't worry. You can always go back, and the app will remember the place where you stopped. This game is perfect even if you play in groups with your friends. Unfortunately, you can't play Fighting Fantasy for free. To download the game, you have to pay for it, there is no trial or free basic option. You can get the app on the App Store and start reading an exciting story. War of Zombie is a bit like Plague Inc. In both games you can see the map of the world and monitor the situation by this. At the very beginning of the game, you will find yourself in a full apocalypse. Let's see what you can do in the War of Zombie: combat with zombies. You can also drive BMPs and cars to move faster in the arena. Craft your own weapons and test them during an actual fight with zombies. You can always edit your weapons if you found some flaws and errors there. Bribe or be diplomatic with the governments of different countries. It's up to you to decide what you will do in every situation. For instance, if you are dealing with a government of a small and poor country, it will be better to solve problems using money. Build operating bases. This is vitally important to do it in advance so that you can use the base when you combat with zombies in this country. It will be better to solve problems using money. Build operating bases. game can end differently. You can save the world, be killed by a zombie, or get infected by yourself and become a zombie! It all depends on you. The War of Zombie has pretty nice graphics, so we recommend playing on a big screen, for instance, on a tablet. At the moment, you can download the game on the App Store. You have to pay for the download, the War of the Zombie isn't free. You can also check: 11 Best Colony Building Games in smartphones became a thing a combie games, you will find A LOT of them. Zombie games in Android have probably been around since games in smartphones became a thing a combie games. Burn them with fire, shoot them with guns, shoot them with heavy artillery from a plane, run them over with a car, or just smash them with your fingers - you will find that if you could kill a zombie in whatever way, it's all available on Android. Shoot those undead, survive longer in the game. I understand that there is a measure of satisfaction you get when you fire a shotgun into the face of a zombie – even if it's just in your smartphone. If you could shoot guns at something, why not zombies? Faultless logic. So here's a list of the 10 best Android zombie games you can find on the Play Store, some of them free-to-play zombie games, which you should be able to download and enjoy immediately. Some of these games are premium ones, but don't worry. If you're paying for it, there's a lot of reason to expect that the game will be worth the money you're spending. Guns at the ready, bring on the undead. Survive the apocalypse with Into the Dead 2. This zombie game is the sequel to Into the Dead, one of the more popular zombie games in Android. The first zombie game made by PIKPOK went on to get over 70 million downloads. This is guite an achievement in the Play Store which is filled with zombie shooter games. So Into the Dead 2 has some pedigree behind it, and it doesn't disappoint. So much zombie shooter games. gameplay that should capture your imagination - and a bulk of your free time. The game features better weapons, which is always a good thing in a zombie game. Fancy a companion dog so that the zombie apocalypse won't be as boring? Yes, the game has that too. At the moment, the game will give you 7 chapters worth of playing time, and a lot challenges within the game, so the only question is how long you will survive. Into the Dead 2 is free to download, but it will have the requisite in-app purchases for monetization. You can download Into the Dead 2 via the Google Play Store: Dead Effect 2 brings you sci-fi zombie gaming action. If you're looking to just shoot zombies and the undead in general, then Dead Effect 2 might be the zombie shooter you're looking for. The zombies have spilled into outer space, and this zombie shooting game is an exciting mix of horror and sci-fi in one game. This game by Badfly Interactive builds on the sci-fi/zombie combo in the first Dead Effect game. Now this sequel will bring players back into the spaceship ESS Meridian filled with - you guessed it - zombies and other monsters. Not just zombies, but so much more to kill in Dead Effect 2. As an FPS (first person shooter), you will be happy that this game has better controls than the first game, and better graphics to boot. You get a great range of weapons you can use to mow down these zombies, including a katana blade that looks absolutely awesome and kick-ass. You can download Dead Effect 2 for free, but be prepared for in-app purchases. Check out the game via the Google Play Store: Stupid Zombies 3 requires a lot of strategy and very few bullets. One can get tired with the zombie shooter gameplay, unless you have the guts to innovate on it, like what GameResort did with their Stupid Zombies franchise. Stupid Zombies 3 is a zombie shooter, of sorts. The innovation in Stupid Zombies 7 is with the novel side-scrolling gameplay and that you don't have a lot of bullets to spare to shoot up these zombies The gameplay is mostly of a puzzle game than a shooting game. You will go through levels which are essentially side-scrolling rooms that have zombies as obstacles. Ricochet your way to survival in Stupid Zombies 3. You can shoot these bullets ricochet around, and you can plan the ricochets so that they hit the optimum amount of zombies blocking your way. It already sounds challenging and fun, right? You need to utilize some mad geometry skills to be able to beat this game. Stupid Zombies 3 is free to download, with IAPs. Download the game via the Google Play Store: Drive and survive with Zombie Highway 2 So you're driving a car down the interstate, feeling that freedom you only feel when speeding down the highway. You expect to see people along the road at some point, but instead of people you see... zombies?!? You realize that you have guns in your car. So the solution here is obvious - run these undead over or shoot them until they're no longer moving. This is basically what Zombie Highway 2 is all about. Drive fast and shoot them off your car. Zombies that try to overrun and kill you while you drive. The goal is to survive as long as possible, quite difficult with 11 types of zombies trying to get in your way. Your arsenal includes 6 types of cars, and 18 kinds of upgradable weapons. The gameplay is simple enough - the game uses your phone's gyro sensor for tilting. You will always have guns to shoot those zombies, or tap to fire your weapons. Simple controls, but very enjoyable for casual gamers. The game is downloadable for free via the Play Store, but Zombie Highway 2 has a reasonable amount of in-app purchases. Here's the link to the game: Kill zombies from up in the air with Zombie Gunship Survival. If you don't like the stress of dealing with zombies from up in the air. Zombie Gunship Survival puts you in control of some pretty big guns on an AC-130 gunship. Zombie Gunship Survival is basically zombie survival game mixed with a heavy dose of shoot-em-up, because there's something very satisfying about killing undead hordes with cannons and heavy guns. But the game does have a real-time strategy element to it - you build up a base for military survivors of the zombie apocalypse and defend it against zombie attacks, and you also provide air artillery support for your plucky survivors who loot areas for resources to build up your base. Zombie Gunship Survival is built in the mold of most free-to-play games – there will be a number of in-app purchases within the game if you want to get ahead and not spend a lot of time grinding. You can download the game for free at the Google Play Store: Blow those zombies all to pieces. The Walking Dead is a zombie game from the hit TV series. If you are not familiar with the uber-popular zombie game from the place. Everybody is sure to know about the TV series, and it has spawned a number of Android games. The most notable of these is Telltale Games have been the kings of the point-and-click episodic adventure games, and The Walking Dead games are now at 2 seasons with 5 episodes each. The game play is pretty simple – it is story-driven, and the game will ask you to tap, swipe, or repeatedly tap in any number of situations, especially ones with zombies in them. There are zombies in the game, of course. The Walking Dead Season 1 will give you 1 episode to play for free, and the positively do so here. Where would we be without Plants vs. Zombies? Electronic Arts hit the jackpot with the original Plants vs. Zombies game, such that having a smartphone at that time became synonymous with being able to play the gameplay to give you a hit zombie strategy game. Plants vs. Zombies 2 gives you better graphics, but has the same simple gameplay from the original game. Protect your home from zombies 2 is bigger and better than the original. Plants vs. Zombies 2 is a bit old for a 2018 zombie game list, but it still holds up because of the updates the developers have been regularly adding to the original game play for casual zombie game fans. Download Plants vs. Zombies for free from the Google Play Store: Death Road to Canada quarantees you'll never play the same game twice. One of the best games to come out of Noodlecake Studios (and there have been a lot) is Death Road to Canada. It's a casual game, randomly generating a new road trip each time you play the zombie game. You travel from Florida to Canada, killing zombies along the way. But what happens each trip is almost entirely up to you. Survive and avoid getting eaten by hordes of 8-bit zombies. Noodlecake Studios designed this little game with tons of replay value, easily exceeding the USD\$10.00 you pay to play it. The graphics bring are 8-bit and 16-bit nostalgia, but it is the random system of characters, survivors, and situations that will totally draw you to it. Make no mistake, the object of the game is still to survive and not get eaten by hordes of zombies along the way. But how you get from Florida to Canada is totally up to you, and should be an enjoyable ride each time. Download this premium zombie survival game from the Google Play Store for USD\$10.00: Unkilled may just be the ultimate zombie shooting game. It's no surprise that Unkilled - a relatively new zombie shooter game by MADFINGER Games - has already racked up over 10 million downloads to date. This game is highly addictive, even for an Android zombie game environment that has a lot of these zombie shooters. The developers have really put extra effort into making Unkilled a highly playable game. In a zombie first-person shooter (FPS), you would need a lot of guns to keep players have really put extra effort into making Unkilled has around over 40 different types of guns to keep players have really put extra effort into making Unkilled has around over 40 different types of guns to keep players have really put extra effort into making Unkilled has around over 40 different types of guns to keep players have really put extra effort into making Unkilled has around over 40 different types of guns to keep players have really put extra effort into making Unkilled has around over 40 different types of guns to keep players have really put extra effort into making Unkilled has around over 40 different types of guns to keep players have really players have really put extra effort into making Unkilled has around over 40 different types of guns to keep players have really play all you need to blast these zombies to oblivion. And if you tire of shooting zombies, the game also has an online PVP mode so you can gauge your skills against other players. Unkilled is a very polished zombie FPS game, and I'm pretty sure that you'll keep the game installed for a good long while, because the action is guite addictive. The game is available as a free download from the Google Play Store, with in-app purchases. Download it here: Zombie Smasher is heck easy to learn and highly addictive. I reserved the last place on our list for the most accessible zombie game is so light that it's only a 4MB download from the Play Store, but those 4MBs will translate to a whole lot of fun. Mash the zombies with your fingers, but take care of the surfer dudes. If you need a zombie killing fix real fast, Zombie Smasher will do the job for you. It's a light download, so you can get it off your data connection. The gameplay is heck easy - smash the zombies with your fingers, avoid squishing the kids and surfer dudes. Pretty easy, yes? If you want an easy-to-play game without any hassle at all, Zombie game from the Google Play Store: If zombie game from the Google Play Store has thousands of them for you

That said, it's usually pretty difficult to sort through the lot of them to get what you want. So although this is not a definitive and comprehensive zombie games you may want to play. Go through the list, and download the zombie games you want. If you have cash to spare, don't be scared to try out the premium zombie games I've included on the list – they're bound to be great fun. Now give us a shoutout in the comments section which zombie games.
