Quick Tips Imagine this: you're feeling a bit jittery as you sit down to write your English essay, trying to figure out if you should use "anxious" or "eager" in your sentence. Don't worry, we've all been there! But fear not, dear
reader, for we're here to help you navigate the tricky waters of using the word "anxious" correctly in your writing. Let's dive right in! Tips for using Anxious in Sentences Properly When you're feeling anxious about using "anxious" to describe a feeling of unease or
worry. Make sure the context of your sentence matches this feeling to use it correctly. 2. Be Specific: Instead of using "anxious" as a catch-all term for any type of excitement or anticipation, try to be more precise in your language. Is it nervous anticipation or eager excitement? Choose your words wisely. 3. Check the Context: Consider the overall
tone of your writing. If you're aiming for a more formal or serious tone, "anxious" might be the better choice. For a lighter, more casual tone, "excited" or "eager" could be more suitable. Common Mistakes to Avoid Now, let's address some common blunders people make when using "anxious": 1. Confusing "Anxious" with "Eager": Remember,
"anxious" implies a sense of worry or unease, while "eager" indicates excitement or enthusiasm. Don't mix up the two! 2. Overusing "Anxious": Resist the urge to sprinkle "anxious" into every sentence just to sound sophisticated. Use it sparingly and only when it truly fits the context. See also How To Use Organism In a Sentence? Easy Examples 3.
Missing the Subtleties: Pay attention to the nuances of "anxious" - it's not just a synonym for "excited." Be mindful of the specific emotion you're trying to convey. Examples of Different Contexts: 1. Correct Usage: "She felt anxious about the upcoming
exam." "He was anxious to see the results of his hard work." 2. Incorrect Usage: "I'm so anxious to go to the party tonight!" (Use "excited" instead) Exceptions to the Rules While the guidelines for using "anxious" are clear, there are always exceptions to
keep you on your toes: 1. Literary License: In creative writing or poetry, authors may take liberties with language. However, even in these cases, it's essential to consider the impact of using "anxious" in the context of your work. 2. Informal Conversations: In casual conversations or informal writing, the rules may be more flexible. Just be aware of the
tone you're aiming for and adjust your language accordingly. So, there you have it - a crash course in mastering the art of using "anxious" correctly in your writing. Remember these tips, avoid common mistakes, and always consider the context of your words. Now, go forth and dazzle the world with your newfound linguistic prowess! Interactive
Exercises: Identify whether the following sentences use "anxious" correctly: "She was anxious to start her new job." "They were anxious to try the new dessert." "He felt anxious to see the results of the experiment." "The students were

Bulldogs bond quickly with their owners and
families, and a rescued dog may be that much more anxious and eager to please. It can be an anxious moment the first time you have to medicate a dog. When the elements are not in harmony, you feel anxious, empty and depressed. Many men are anxious at the prospect of losing their hair and they search for solutions to baldness. This myth suited
the British, because they were constantly working to subjugate the Irish and whipping up sentiment against them helped keep the population anxious to lock in the rates while they are still low. Stories about a mom whose nurse tries to seduce her husband
or a mother-in-law who attempts to steal the forceps from the doctor make this book a poor choice for overly anxious women! If you're actively trying, you may be anxious to get an ultra sensitive pregnancy test. Friends and family
usually mean well, but the persistence of some Old Wives Tales can cause you to feel anxious during your pregnancy. If you are anxious to become pregnant, explore the natural ways to increase fertility. Regardless of how anxious to become pregnant, explore the natural ways to increase fertility.
baby. While doctors may claim that no amount of walking will make you go into labor, many women who are anxious to get their labor underway report that this is the trick that worked for them. If you're anxious about a potential pregnancy, you may be wondering if there are pregnancy symptoms before implantation. When a woman goes past her
due date, she will probably be especially anxious to have the baby. Instead, it's wise to focus more on how you feel about yourself, maintaining a balanced and healthy lifestyle instead of being anxious to see if the Ninja Master Prepared on the same of the new you feel about yourself, maintaining a balanced and healthy lifestyle instead of being anxious to see if the Ninja Master Prepared on the same of the new you feel about yourself, maintaining a balanced and healthy lifestyle instead of being anxious to see if the Ninja Master Prepared on the same of the new you feel about yourself, maintaining a balanced and healthy lifestyle instead of being anxious to see if the Ninja Master Prepared on the same of the new you feel about yourself, maintaining a balanced and healthy lifestyle instead of being anxious to see if the Ninja Master Prepared on the same of the new you feel about yourself, maintaining a balanced and healthy lifestyle instead of being anxious to see if the Ninja Master Prepared on the new you feel about yourself, maintaining a balanced and healthy lifestyle instead of being anxious to see if the Ninja Master Prepared on the new you feel about yourself, maintaining a balanced and healthy lifestyle instead of being anxious to see if the Ninja Master Prepared on the new yourself, maintaining a balanced and healthy lifestyle instead of being anxious to see if the Ninja Master Prepared on the new yourself, maintaining a balanced and healthy lifestyle instead of being anxious to see if the Ninja Master Prepared on the new yourself, which was a see if the Ninja Master Prepared on the new yourself, which was a see if the new yourself, which
Professional could possibly live up to its billing. Children can be excited and anxious on Christmas Eve, as they await the arrival of Santa Claus, and watching Santa radar is a fun way for families to spend time together on a very special holiday night. For anxious kids trying to stay awake on Christmas Eve, the Official Santa Tracker is a welcome tool.
This is a great game for children who are anxious to help decorate. What an exciting and anxious call you are about to make. When a person is nervous or anxious to find a successful match. She may have kept scratching her face
because of a tick she has or once started, out of a self-conscious habit due to being anxious. Say, "I'm feeling nervous, anxious before his or her first kiss. If you've been in a relationship where you've felt insecure or anxious watching your partner talk to another guy or girl, then you've probably wondered how to get
rid of jealousy. I'm also anxious to try Gluten Free Savonnerie and Dakota Free, two well-trusted companies that products. Travel potty seats can also be helpful when children are feeling anxious about using a strange big potty at the grocery store. The last thing you want to do is to make a huge issue out of it
and make your child even more anxious when the time comes to use the potty. Not every toddler or preschooler is anxious to abandon playing with toys to go over alphabet flashcards with mom. All new releases are released on a Tuesday, allowing you to plan accordingly when you're really anxious for something. Are they at all anxious by the
possibility of your "change", reach or growth in this matter? Now that you know more about the fashion versatility and styling options for white winter boots, you are probably anxious to add a pair to your winter wardrobe. Many fans of soap operas enjoy The Young and the Restless full episodes, which are always full of drama and intrigue to keep
viewers on their toes and anxious for a new episode. Some individuals with autism disorder can be rigidly resistant to change, reacting with anxious or resistant when those routines are broken. Repeated deep breathing when you are feeling anxious can help get your
stress levels under control. For example, if you start to get really anxious when project deadlines draw near, don't allow yourself to put work off until the last minute. It's completely reasonable to be nervous or anxious before your first session. Most sellers are anxious to clear out remaindered items and will do so at a steep discount because that is
usually still less expensive and cumbersome than sending them back to the manufacturer. Shakira's anxious record label, Sony, were keen to have her stick to more mainstream, popular styles, but she got her way. Although she was known by fans as sometimes appearing anxious and stressed out during the episodes she still managed to deliver
innovative and stunning clothes during her time as a contestant. Whether it is being far too anxious to get married, these women can benefit from the professional experiences of Steve. Since Hell's Kitchen has become so popular, many people are anxious to get their hands on tickets to the restaurant. Harry Potter and the Goblet of
Fire holds a crackling feeling of anxious energy between it's covers. The death-dealer motioned for them to start walking along the stream. Rhyn sprung forward, anxious to be moving again. The phone rang twice, both calls from Fred's lady friends, who were anxious for his return. He shifted his bike into high gear as he began a long downhill, build
ing speed, anxious to get home. Last night you said you were feeling anxious because you no longer had a home and you were about to lose your name. He probably knew that, but that wouldn't stop him from feeling anxious about it. On the other hand, hadn't his 'appointment' this morning to talk to her about last chances been indication enough that
 he was anxious? Flying on a plane wouldn't have made her as anxious as she was right now. Anxious would better describe her feelings. She glanced up at his anxious as he burst through the door. He took a breath and finally met her
anxious gaze. Anxious to keep her mind off Josh, she picked up a magazine and sat on the couch. Sofi was pale and Bianca anxious. Anxious to be gone, she searched beneath the sinks and the laundry room, places she thought a flashlight would be. She was telling the truth; she was anxious. In December 1352 Clement died, and his successor,
Innocent VI., anxious to strike a blow at the baronial rulers of Rome, and seeing in the former tribune an excellent tool for this purpose, pardoned and released his prisoner. Leo was now anxious to reform the church, but his chief energies were directed
to increasing his power and prestige. Ministers were naturally anxious to obtain the reversion to his vacant post, and Indian affairs formed at this anxious juncture. Bonif ace tried to induce King Charles to break the treaty, but the latter was only
too anxious for peace, and finally in May 1303 the pope ratified it, Frederick agreeing to pay him a tribute. In 1537 she was anxious to obtain a divorce from Methven, and her desire was on the point of being realized when it was defeated by the intervention of James. He retired to rest with anxious thoughts of his future career, which haunted him
through the night in three dreams that left a deep impression on his mind. In the anxious year which followed, the prince gave evidence of considerable military and diplomatic ability. The other colonies interested were anxious to bring the matter to a speedy termination, and readily agreed to this course of procedure. Cromwell was essentially a
conservative reformer; in his attempts to purge the court of chancery of its most flagrant abuses, and to settle the ecclesiastical affairs of the nation, he showed himself anxious to prove that Providence from the first included
the Gentiles in the Messianic Kingdom, assumes that the gift of tongues was a miraculous faculty of talking strange languages without having previously learned them. This all took place at Valarshapat, where Gregory, anxious to fix a site on which to build shrines for the relics of Ripsime and Gaiana, saw the Son of God come down in a sheen of light
the stars of heaven attending, and smite the earth with a golden hammer till the nether world resounded to his blows. Burke and Grattan were anxious that provision of Jacobinism in France; Wolfe Tone, "with an incomparably juster
forecast," as Lecky observes, "advocated the same measure for exactly opposite reasons." The negotiations were long drawn out; for Cavour struggled to save Nice and Napoleon, for in spite of Nice and Savoy and Mentana he felt
a chivalrous desire to help the man who had fought for Italy. Depretis, anxious only to avoid a policy of adventure, let slip whatever opportunity may have presented itself, and neglected even to deal energetically with the impotent but mischievous Italian agitation for a rectification of the Italo-Austrian frontier. Count di Robilant, anxious that Italy
should not seem to beg a smile from the central Powers, advised Mancini to receive with caution the suggestions of the Austrian press. Depretis and his colleague Genala, minister of public works, experienced great difficulty in securing parliamentary sanction for the conventions, not so much on account of their defective character, as from the
opposition of local interests anxious tc extort new lines from the government. Baratieri, anxious probably to obtain some success before the arrival of Baldissera, and alarmed by the rapid diminution of his stores, which precluded further immobility, called a council of war (29th of February) and obtained the approval of the divisional commanders for a
plan of attack. From 1668 to 1670 attempts were being made by the chapter to restore the ruined building; but Dean Sancroft was anxious to have it wholly new church. He was anxious to have it wholly rebuilt, and in 1668 he had asked Wren to prepare a design for a wholly new church. He was anxious to have it wholly rebuilt, and in 1668 he had asked Wren to prepare a design for a wholly new church. He was anxious to have it wholly rebuilt, and in 1668 he had asked Wren to prepare a design for a wholly new church.
came before him, and swayed by a scrupulous dread of insincerity, he was doomed to long and anxious hesitation concerning some of the fundamental points of theology before arriving at a firm conviction of treason brought
against Albinus to the whole senate, he defended the senate at great risk. As the Muscovite and the Lithuano-Polish princes were equally ambitious and equally anxious to widen their borders, they naturally came into conflict. Unfortunately for the success of her schemes she had to reckon with stronger states which were anxious to check the Russian
advance, and which were determined, in the event of aggression, to have a share of the plunder. Prince Ferdinand of Bulgaria had long been anxious to legalize his position by a reconciliation, and as soon as he got rid of Stamboloff he made advances to the Russian government. Many believed that the end of autocracy had come, and an extemporized
Council of Labour Deputies, anxious to play the part of a Comite de Salut Public, was ready to take over the supreme power and exercise it in the interests of the proletariat. As a young man Henry had been chivalrous and adventurous, and in politics anxious for good government and justice. Although he was anxious to marry this lady, the match was
rendered impossible by the dislike of George II. It seemed to be assumed that Asia was to be divided among the powers of Europe, and each was anxious to get its share or more. While the ships were still engaged in tactical exercises, Austria's ultimatum to Serbia was issued (July 23) and the i 2 anxious days which culminated in the World War began
When the trial of Servetus was in progress (1553), Calvin was anxious for Farel's presence, but he did not arrive till sentence had been passed. In Sir Benjamin D'Urban Philip found a governor anxious for Farel's presence, but he did not arrive till sentence had been passed. In Sir Benjamin D'Urban Philip found a governor anxious for Farel's presence, but he did not arrive till sentence had been passed. In Sir Benjamin D'Urban Philip found a governor anxious for Farel's presence, but he did not arrive till sentence had been passed. In Sir Benjamin D'Urban Philip found a governor anxious for Farel's presence had been passed in the sentence had b
had improved, he went to Daventry to attend the Nonconformist academy formerly carried on by Dr P. Doddridge at Northampton. He was present at the Field of the Cloth of Gold in 1520, and in 1521 he went to become pope. After his return to
France the cardinal was anxious to regain the favour of the queen in order to obtain the position of prime minister. Moreover, it is undeniable that Lord Derby acted as though he was anxious to appear to be giving the Boers what they wanted. In their previous travels in Syria they had gained the confidence and friendship of a young sheikh whose
family, though long settled at Tadmur, came originally from Nejd, and who was anxious to renew the connexion with his kinsmen by seeking a bride among them. Ibn Ali Talib, anxious to perpetuate their severance from the orthodox church and the Byzantine empire, confirmed these privileges by charter and in 762 the patriarchate was removed to
Bagdad. To put an end to this absenteeism, and to bring back the papacy to Italy was the cherished and anxious to obtain a capable candidate to aid him in regaining his ascendancy over the rebellious borough. The queen wrote to Archbishop Tait that the subject
of the Irish Church "made her very anxious," but that Mr Gladstone showed the most conciliatory disposition." From this time he was very anxious to see the king of Prussia unite the whole of Germany, with the title of emperor, and was impatient of the caution with which Bismarck proceeded. The enlargement of the horizon of knowledge by the
advance of science, the recognition of the only relative validity of human opinions and beliefs as determined by and adapted to each stage of human development, which is due to the growing historical sense, the alteration of view regarding the nature of inspiration, and the purpose of the Holy Scriptures, the revolt against all ecclesiastical authority,
and the acceptance of reason and conscience as alone authoritative, the growth of the spirit of Christian charity, the clamorous demand of the social problem for immediate attention, all combine in making the Christian charity, the clamorous demand of the social problem for immediate attention, all combine in making the Christian charity, the clamorous demand of the social problem for immediate attention, all combine in making the Christian charity, the clamorous demand of the social problem for immediate attention, all combine in making the Christian charity, the clamorous demand of the social problem for immediate attention, all combine in making the Christian charity, the clamorous demand of the social problem for immediate attention, all combine in making the Christian charity, the clamorous demand of the social problem for immediate attention, all combine in making the Christian charity, the clamorous demand of the social problem for immediate attention, all combine in making the Christian charity, the clamorous demand of the social problem for immediate attention, all combine in making the Christian charity attention of the social problem for immediate attention of the social problem for immed
another vote in the electoral college, appointed Frederick to exercise the Brandenburg vote on his behalf, and it was largely through his efforts that Sigismund was chosen German king. After the hands of Elizabeth of England, Mary of Scotland and Renata of Lorraine had successively been sought for him, the council of state grew anxious about the
succession, but he finally married his cousin, Sophia of Mecklenburg, on the 10th of July 1572. Nor was he anxious to maintain the connexion between philosophy and medicine which had for long existed in a confused and confusing fashion.' The latent discontent of the allies was soon fanned into hostility by the intrigues of Mausolus, prince of Cardia,
who was anxious to extend his kingdom. Through the fact, however, that from 1501 onwards the Lithuanians and the Poles were ruled over by one sovereign and from 1569 onwards that a common legislature, the former, though ever anxious to break away, gradually sank into a state of dependence. But this very fact of its ever-extending influence,
coupled with an absence of dogmatism in belief, which made it at all times ready and even anxious to adopt foreign customs and ideas, gave its religion a constantly shifting and broadening character, so that it is difficult to determine the original essentials. He poses too much as a fine gentleman, and is so anxious not to be taken for a pedant of the
vulgar scholastic kind that he falls into the hardly more attractive pedantry of the aesthete and virtuoso. Hungary coming to the assistance of Poland, Lubart was defeated and taken prisoner; but Casimir, anxious to avoid a bloody war with Lithuania's Tatar allies, came to a compromise with Lubart whereby Poland retained Halicz with Lemberg, while
conferred on political affairs with Prince Eugene of Savoy and other personages, without consulting Louis. Yet this second adventure was not embarked upon without much anxious consideration. The Council of State, being mainly anxious to destroy the Dutch trade and fisheries, began by reinforcing Blake, and sending him north to scatter the Dutch
herring fleet. It is clear from the emperor's letters that in regard to nine out of ten of the matters which his anxious and deferential legate referred to him for his decision he would have been better pleased if the legate had decided them for himself. On the other hand it is not necessary to reset the telescope after each reversal of the segments.4 When
Bessel ordered the Konigsberg heliometer, he was anxious to have the segments made to move in cylindrical slides, of which the radius should be equal to the agents of his fortune, thought it safe to parade his want of confidence in the
man who had made him king. On the fall of Napoleon in 1814 the Piedmontese court returned to Turin and the king was anxious to secure the succession for Charles Albert, knowing that Austria meditated excluding him from it in favour of an Austrian archduke, but at the same time he regarded him as an objectionable person on account of his
revolutionary upbringing. The king and chiefs (except two ringleaders) were offered reinstatement, and they appeared anxious to accept these terms, but the French bishop joined them in the islands, and from that day all hopes of peace vanished. Both pope and king were naturally anxious to place their own friends and supporters in these influential
positions. After a fierce attack on Protestants caused by the mutilation of a statue of the Virgin, in 1528, the king, anxious to con ciliate both the German Protestants and anti-papal England, invited some of the reformers of Meaux to preach in the Louvre. Men were not men according to Greek notions unless they were citizens; and Herodotus, aware
of this, probably sharing in the feeling, was anxious, having lost his political status at Halicarnassus, to obtain such status elsewhere. It was his claim that he had discovered the Gospel before ever Luther was heard of in Switzerland, and he was as anxious as Erasmus to make it clear that he was not Luther's disciple. They were especially anxious to
gain Bern, and Zwingli challenged the Romanists to a public disputation in that city. The allies determined that they would wage a war without risks, and they were particularly anxious to avoid the risk of defeat in detail. In December 1641 the king, anxious to conciliate public opinion, appointed Williams archbishop of York. The situation was changed
in his favour when Frederick I., who was anxious to count the duke among his supporters, succeeded Conrad as German king in February 1152. Domitian had been arbitrary and high-handed, and had heaped favours on the soldiery while humiliating the senate; Nerva showed himself anxious to respect the traditional privileges of the senate, and such
maxims of constitutional government as still survived. The queen was very anxious that he should receive the title of "King Consort," and that the crown should be jointly borne as it was by William III. Count less entries in the queen's diaries testify to the anxious affection with which the progress of each little member of the household was watched.
He showed himself in this office especially anxious that the military power should be duly subordinated to the civil. He was anxious to make sure that his readers would understand his exact meaning, and to guard them against all possible misconceptions. He was anxious that Mary should marry the Dauphin Charles and thus secure the inheritance of
the Netherlands for his descendants. Hence, too, he spoiled nothing by anxious revision in terror lest some phrase not of the golden age should escape from his pen. Nevertheless, so anxious was Sigismund to avoid a collision with the Turks, that he forbade the victorious Tarnowski to cross the Moldavian frontier, and sent a letter of explanation to
Constantinople. The liberum veto seems to have been originally devised to cut short interminable debates in times of acute crisis, but it was generally used either by highly placed criminals, anxious to avoid an inquiry into their misdeeds, or by malcontents, desirous of embarrassing the executive. So anxious was Dlugosz to make his work as perfect
as he could that he learned Russian so as to be able to read the Chronicle of Nestor. Thus while willing, even anxious that Prussia should receive Saxony, in order that she might be strong to meet the danger from the East, he was prepared to go to any lengths to resist the claims of Russia. While sympathizing with the ideas and aims of the "Young
Turkey" party, he was anxious to restrain its impatience, but the sultan's obduracy led to a coalition between the grand vizier, the war minister and Midhat Pasha, which deposed him in May 1876, and he was murdered in the following month. His efforts were now steadily directed to securing his restoration to the navy, and in this he succeeded in
1832; but though he was granted a "free pardon" he failed to obtain the new trial for which he was anxious, or to secure the arrears of pay he claimed.' During a year of anxious waiting, it became clear to him " not only that there was no rowme in my lorde of londons palace to translate the new testament, but also that there was no place to do it in all
englonde." There is a tradition that on one occasion the abbot of Beverley, anxious to investigate the case for himself, visited Mother Shipton's cottage disguised, and that no sooner had he knocked than the old woman called out "Come in, Mr Abbot, for you are not so much disguised but the fox may be seen through the sheep's skin." He was anxious
to see the rise of a "Greater France," on the model of "Greater Britain," and it was with this idea that he undertook to present to the public a series of essays, written by famous explorers or political men, under the title of La France coloniale, histoire, geographic, commerce (1886; 6th ed., 1893). Washington, who was wisely anxious to concentrate
attack on one or other of the centres of British power in Virginia or New York, had to wait till the arrival of Grasse before he could see his ideas applied. He showed statesmanlike qualities in steering a clear course between the exaggerated prudence of Baron Ricasoli, who wished to recall the troops from the frontier, and the impetuosity of Garibaldi.
his second-in-command, who was anxious to invade Romagna prematurely, even at the risk of Austrian intervention. Here he worked diligently at practical reforms, being specially anxious to invade Romagna prematurely, even at the risk of Austrian intervention. Here he worked diligently at practical reforms, being specially anxious to invade Romagna prematurely, even at the risk of Austrian intervention.
from becoming a political organization. We have seen how anxious Aristotle was to be considered one of the Platonists, how reluctant he was to depart from Plato's hypothesis of forms, and how, in denying the separability, he retained the Platonists, how reluctant he was to depart from Plato's hypothesis of forms, and how, in denying the separability, he retained the Platonic belief in the reality and even in the unity of the universal. In 1553 Duke Albert of Prussia, anxious to heal
the differences in the Prussian church caused by the discussion of Osiander's doctrines, invited him to Konigsberg, and in the following year appointed him professor of divinity and president of the Samland diocese. But his future was a subject of anxious thought to Henry II. Augustus continued the war against the Turks for a time, and being anxious
to extend his influence and to find a pretext for retaining the Saxon troops in Poland, made an alliance in 1699 with Russia and Denmark against Charles XII. Canning and Wellington seemed to Canning the most suitable
instrument for the purpose of securing an arrangement between Great Britain and Russia on the Greek question, through which it was hoped to assure peace in the East. The government found, therefore, in the educated classes a new-born public spirit, anxious to assist it in any work of reform that it might think fit to undertake. At the same time he
was anxious to obtain for the Christians of Turkey some amelioration of their condition, and to give thereby some satisfaction to his own subjects. But about the year 1853 anxious attention began to be given in France to the ravages of a disease among silkworms, which from its alarming progress threatened to issue in national disaster. The extinction
of the Latin kingdom might now seem imminent; and envoys were sent to the West with anxious appeals for assistance in 1169, 1171 and 1173. So Avenarius (q.v.) was no materialist, but only an empiricist anxious to reclaim man's natural view of the world from philosophic incrustations; yet when his Empiriokriticismus ends in nothing but
environment, nervous system, and statements dependent on them, without soul, though within experience, he comes near to materialism, as Wundt has remarked. Mr Balfour was anxious to avoid a rupture, doubtful of the feeling of the country, uncertain of the details by which Mr Chamberlain's scheme could be worked out. As leader of the party and
responsible for the maintenance of so great a political engine, he was anxious not to be precipitate. From 1903 onwards the question of army reform had been under discussion, and the government was anxious to get this settled, though in fact Mr Brodrick's and Mr Arnold-Forster's schemes for reorganization failed to obtain any general support. He
was always anxious to turn his knowledge to practical account, whether in preparing medicines, or in furthering industrial arts such as dyeing, or in increasing the fertility of the soil by artificial manures. At the same time he showed himself anxious to further the cause of ecclesiastical instruction and Catholic science. The Gurkhas, after becoming
masters of Nepal, were anxious to renew the profitable traffic in coin, and in this view sent a deputation to Lhasa with a quantity of coin to be put in circulation. The introduction of steel concrete, armoured concrete, a
1868 was anxious to build some concrete water basins. Ever anxious to extend the league, in which after 245 he was general almost every second year, Aratus took Corinth by surprise (243), and Argos (229), whose tyrants abdicated voluntarily. So highly was he
now esteemed for his courage, abilities and integrity, that all parties were anxious to have him on their side (Eloge, by Montesquieu). In April 1813 the Americans took York (now Toronto), and in May moved on Fort George; but a counter-attack by Yeo and Prevost on Sackett's Harbour, on the 2gth of May, having made the Americans anxious about
the safety of their base, naval support failed the American generals, and they were paralysed. The victory of Conde at Rocroy opened the eyes of Frederick Henry to the danger of a French conquest of the Belgian provinces; and, feeling his health growing enfeebled, the prince became anxious before his death to obtain peace and security for his
country by means of an accommodation with Spain. William IV., though not a man of great ability, was sincerely anxious to do his utmost for securing the maintenance of peace, and the development of the resources and commercial prosperity of the country, and his powerful dynastic connexions (he had married Anne, eldest daughter of George II.)
gave him weight in the councils of Europe. In 1186, Bishop Absalon bestowed the castle and village, with the lands of Amager, on the see of Roskilde; but, as the place grew in importance, the Danish kings became anxious to regain it, and in 1245 King Eric IV. Sir Hyde Parker, who saw the danger of Nelson's position, became anxious, and sent his
second, Captain Robert Waller Ottway, to him with a message authorizing him to retire if he thought fit. The leading men of Brussels were most anxious as Flood had been to retain the legislative power in the hands of men of property, for "he had through the whole of his life a strong conviction
that while Ireland could best be governed by Irish hands, democracy in Ireland would inevitably turn to plunder and anarchy." Taking up mathematics when not only his mind was already formed but his thoughts were crystallizing into a philosophical system, Hobbes had, in fact, never put himself to school and sought to work up gradually to the best
knowledge of the time, but had been more anxious from the first to become himself an innovator with whatever insufficient means. Their sentence, however, did not take effect until late in 272, when the emperor Aurelian, having defeated Zenobia and allowed
the rival 'candidate Domnus to take his place and emoluments. He has been represented as a determined apologist of intellectual orthodoxy animated by an almost fanatical "hatred of reason," and possessed with a purpose to overthrow the appeal to reason; as a sceptic and pessimist of a far deeper dye than Montaigne, anxious chiefly to show how
any positive decision on matters beyond the range of experience is impossible; as an almost ferocious ascetic and paradoxer affecting the credo quia impossible in intellectual matters and the odi quia amabile in matters moral and sensuous; as
a wanderer in the regions of doubt and belief, alternately bringing a vast though vague power of thought and an unequalled power of expression to the expression to the expression of ideas incompatible and irreconcilable. Anxious to recover the city for France, Louis XI. Anxious to regain these lands Henry allied himself with some Slavonic tribes, promising not to
interfere with the exercise of their heathen religion, while Boleslaus found supporters among the discontented German nobles. After this Frederick and the Netherlands, whom they assisted with troops, while the Lutherans, whose chief prince was Augustus, elector of
Saxony, adopted a more cautious policy and were anxious not to offend the emperor. Anxious to restore peace to Germany in this year, the new king, Frederick I., raised Austria to the rank of a duchy, and conferred upon it exceptional privileges. But Charles was anxious about Italy, then in danger from Spain, which under Alberoni's guidance had
occupied Sardinia and Sicily. He had no previous experience of Austrian affairs, and was only anxious at once to bring about a settlement which would enable the empire to take a strong position in international politics. It was an anxious undertaking, because the native states of India were all watching the issue and waiting for any serious reverse to
the English to join against them. Marshal Marmont, writing in 1839, mentions the capacity of the Egyptians for endurance; and it was tested In 1883, especially in the 2nd Brigade, since its officers (Turks and Egyptians), anxious to excel as drill-masters, worked their men not only from morn till eve, but also by lamplight in the corridors of the
barracks. The mummies from the despoiled tombs of the kings were the object of much anxious care to the kings of this dynasty; after being removed from one tomb to another, they were finally deposited in a shaft near the temple of Deir el Bahri, where they remained for nearly three thousand years, until the demand for antiquities at last brought
the plunderer once more to their hiding-place; eventually they were all secured for the Cairo museum, where they may now be seen. Mahmud to hope for revenge, and a renewal of the conflict was only staved off by the anxious efforts of the powers. Besides this, the British government was anxious to terminate the occupation as soon as possible. This
most inconclusive report, and the baseless idea that the adoption of the Nile route would involve rio chance of bloodshed, which the government was anxious to leave it; and on Christmas day 1897 Colonel (afterwards General Sir Charles) Parsons, with an Egyptian force
from Suakin, took it formally over, together with a body of Arab irregulars employed by the Italians. That he was anxious to respect its rights is conclusively proved, but both the circumstances of the king would tend to throw more power into his hands. He was now anxious to give up the enterprise, but was overruled by
Grey, Wade and others. The details are not quite clear, but it seems tolerably certain that the prince and the bishop, anxious to retain their power, sought to induce Henry IV. Anxious to secure his aid for the crusade against the Hussites, Pope Martin again offered him a cardinal's hat, which Beaufort accepted. Besides these there is a fever hospital,
erected by Lord John George Beresford; a college, which Primate Robinson was anxious to raise to the rank of a university; a public library founded by him, an observatory, which has become famous from the efficiency of its astronomers; a number of churches and schools, and barracks. Sigebert was anxious to avenge his sister-in-law, but on the
intervention of Guntram, he accepted the compensation offered by Chilperic, namely the cities of Bordeaux, Cahors and Limoges, with Beam and Bigorre. With him were the Cavalier party, anxious to recover their - losses during the civil war. Packs of foxhounds vary, from large establishments in the "Shires," the meets of which are attended by
hundreds of horsemen, some of whom keep large stables of hunters in constant work - for though a man at Melton, for instance, may see a great deal of sport with half-a-dozen well-seasoned animals, the number is not sufficient if he is anxious to be at all times well mounted - to small kennels in the north of England, where the field follow on foot
Henry was then particularly anxious to cement his alliance with Francis I., and gain his co-operation as far as possible in the object on which he had secretly set his heart - a divorce from Catherine of Aragon. But in truth the king had need of him quite as much as he had of Cranmer; for it was Gardiner, who even under royal supremacy, was anxious to
to prove that England had not fallen away from the faith, while Cranmer's authority as primate was necessary to upholding that supremacy. He was especially anxious to obtain works of art, mainly sculpture, for the famous Munich collections which he started, and in this he had the advantage of the assistance of the painter Martin Wagner.
Metternich was anxious to secure an apparent unanimity of the powers to back the Austrian intervention in Naples, and every device was used to entrap the English representative into subscribing a formula which would have seemed to commit Great Britain to the principles of the other allies. The Defence of the Realm Act and other war-time
measures threw in these years a great burden of anxious work on the law officers of the Crown, including the prosecution of Sir Roger Casement for high treason at the Old Bailey. He expressed himself as being as anxious for the reformation of the clergy as Simeon for the coming of the Messiah; but while he welcomed Wolsey's never-realized
promises, he was too old to accomplish much himself in the way of remedying the clerical and especially the monastic depravity, licence and corruption he deplored. He was exceedingly anxious to show that sacred
 history might be presented in a form which lovers of Sallust and Tacitus could appreciate and enjoy. Mir Jafar was anxious to hungry politicians anxious to fill even the more humble colonial offices. When the Assembly met it became
apparent that the great majority were more anxious to act as a dignified branch of the legislature than to maintain consistency with their pre-election declarations. During the anxious months that followed the Austrian coup, the efforts of diplomacy were directed to calming the excitement of Servians, Montenegrins and the Young Turks, and to
considering a European conference in which the fait accompli should be regularized in accordance with the accepted canons of international law. He was thrifty and anxious to obtain the command against him; Crassus was pontifex maximus, and Flaccus a flamen of Mars. Though anxious to
avoid an Eastern war, because of danger nearer home from the restlessness of the Goths, he was compelled to take the field against Shapur II. After an arduous and anxious term, the president had reached a period that promised to give him comparative repose and freedom from care. For nearly a year the diplomatic pourparlers continued without an
agreement being reached; France insisted on Mehemet Ali's receiving the hereditary pashalik of Syria as well as that of Egypt, a proposition to which Palmerston, though sincerely anxious to preserve the Anglo-French entente, refused to agree. He seems continually anxious to reconcile the Jewish Christians to himself by personally observing the law
of Moses. Once Paul's apostolate - a personal one, parallel with the more collective apostolate of " the Twelve " - has proved itself by tokens of Divine approval, Peter and his colleagues frankly recognize the distinction of the two missions, and are anxious only to arrange that the two shall not fall apart by religiously and morally incompatible usages
(Acts xv.). He felt, in addition, that opposite the Tolmino bridgehead he had little room for defence, and he was anxious to anticipate the enemy's move by an attack N.E. He was especially anxious as the units which had suffered heavily during the last offensive were but newly filled with fresh drafts, and he had found reason before to fear the
influence of some of the men fresh from the depots. Hence also frequent allusion is made by poets to the family being afflicted with failure of offspring; this dire prospect compelling them to use but sparingly their little store of provisions, in case the supply should shortly
cease altogether. The new king was anxious to restore the Empire to the position it had occupied under Charlemagne and Otto the Great, and saw clearly that the restoration of order in Germany was a necessary preliminary to the enforcement of the imperial rights in Italy. The broken old man became feverishly anxious to propitiate offended Heaven
and save himself another Blenheim or Malplaquet, by exterminating the enemies of the Church. His kingdom therefore lapsed to Rome, and Prasutagus, anxious that the transfer should be effected in an orderly way, divided his accumulated wealth between his two daughters and the emperor. The doctors of the universities were too wedded to their
antiquated manuals and methods, too satisfied with dullness, too proud of titles and diplomas, too anxious to preserve ecclesiastical discipline and to repress mental activity, for a genial spirit of humanism to spread freely. In 41 he was consul, and had a dispute with Octavian, which led to the so-called Perusian War, in which he was supported by
Fulvia (Mark Antony's wife), who was anxious to recall her husband from Cleopatra's court. I have cast away gold and silver, and have ceased to carry even copper in my belt, being content with my daily bread, nor caring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow, nor anxious how my belt, being content with my daily bread, nor carring for the morrow has a supplication of the morrow has a s
Conqueror was anxious to get rid of him, although he took him in his train to Normandy in 1067. Stockholm was founded by Birger Jarl, it is said, in or about 1255, at a time when pirate fleets were less common than they had been, and the government was anxious to establish commercial relations with the towns which were now beginning to flourish
on the southern coast of the Baltic. The city was originally founded as a fortress on the island of Stadholm. Its adoption was due to the king himself, who was anxious to give expression to the fact that he was sovereign of the undivided island, and not only of England or Scotland. Anxious to retain so promising an adherent, and probably desirous at the
same time to avoid public scandal, the chiefs of the community offered him a yearly pension of r000 florins if he would outwardly conform and appear now and then in the synagogue. Being in good circumstances, he was anxious to show his gratitude to Spinoza by a gift of 2000 florins, which the philosopher half-jestingly excused himself from
accepting. Still more offensive was the attitude of Sweden's eastern neighbour Muscovy, with whom the Swedish king was nervously anxious to stand on good terms. Gustavus attributed to Ivan IV., whose resources he unduly magnified, the design of establishing a universal monarchy round the Baltic. Lutf Ali Khan took refuge in the town of Barn; but
the governor of Narmashir, anxious to propitiate the conqueror, basely surrounded him as he was mounting his faithful horse Kuran to seek a more secure asylum. Coleridge was anxious to embody a dream of a friend, and the suggestion of the albatross came from Wordsworth, who gained the idea from Shelvocke's Voyage (1726). It
was in that century that Portugal rose to prominence as a maritime power; and being anxious to enjoy at first hand some of the commerce which had brought such prosperity to Venice, Portugal determined to seek out an ocean pathway to the Indies. In 1780 van Plettenberg, the governor, proclaimed the Sneeuwbergen the northern boundary of the
Though anxious to promote Carnarvon's policy, Frere found that native affairs called for immediate attention. Neither the Portuguese nor the British claims seemed of much importance until the rise of the South African republic. Anxious for a seaport, the Transvaal Boers -in turn laid claim to Delagoa Bay. Two parties threatened to attack them - on
one side those who were anxious for extensive reforms in the municipal organization of London; on the other, those who wished to carry forward the process of inspection and revision of endowments, which had already overtaken the universities, schools and other charities. But some of his methods were remarkably erratic; he was anxious, for
instance, to abolish verse, as unsuited tO the genius of the French. He was not careful to exclude the commonplaces of the school, nor anxious to finish a work of art wholly free from fashionable graces and from contemporary conceits. But the mass of the people, and especially the rural population, sick of revolution, and weary even of the moderate
republicanism of Cavaignac, were anxious for a stable government. The pope was anxious to get rid of the Hussite king of Bohemia, George Podebrad, as the first step towards the formation of a league against the Turk. The two sections of which the government was composed had different aims. The Rockingham section, which now looked up to Fox,
 rested on aristocratic connection and influence; the Shelburne section was anxious to gain popular support by active reforms, and to gain over the king to their side. On the resignation of Lord Derby, the queen, anxious to gain popular support by active reforms, and to gain over the king to their side. On the resignation of Lord Derby, the queen, anxious to gain popular support by active reforms, and to gain endeavour-Goalition and influence; the Shelburne section was anxious to terminate a period of weak governments, decided on endeavour-Goalition and influence; the Shelburne section was anxious to gain popular support by active reforms, and to gain over the king to their side.
party and the followers of Sir Robert Peel. In the years which preceded 1853, however, France had shown more activity in asserting her claims; and the new emperor of the French, anxious to harass thereone, had a keen interest in upholding them. The Confederates, naturally anxious to harass thereone, had a keen interest in upholding them.
commerce of their enemies, endeavotired from the commencement of hostilities to purchase armed cruisers from builders of neutral nations. Anxious as Gladstones ministry was to restrict the sphere of its responsibilities, it was compelled to send an expedition to relieve General Gordon; and Lord Wolseley, who was appointed to the command,
decided on moving up the Nile to his relief. And we are touched to think of the simple-minded guest secretly praying, in the solitude of his room in the fine house at Beaconsfield, that the way of his anxious and overburdened host might be guided by a divine hand. We are not exhilarated by the cheerfulness, the polish, the fine manners of Bolingbroke
for Burke had an anxious conscience, and was earnest and intent that the good should triumph. Anxious negotiations thus arise, which colour all modern schemes of theology. After an exhausting journey from the coast he reached Shiraz, and was soon plunged into discussion with the disputants of all classes, "Sufi, Mahommedan, Jew, and
JewishMahommedan, even Armenian, all anxious to test their powers of argument with the first English priest who had visited them." It was not long after it had settled in office that Peel's government, the creature of an anxious Conservative reaction, began to be suspected of drifting toward Manchester. Anxious to test their powers of argument with the first English priest who had visited them." It was not long after it had settled in office that Peel's government, the creature of an anxious Conservative reaction, began to be suspected of drifting toward Manchester.
past, he forbade the use of the word "Borders," hoping that the designation "Middle Shires" might take its place. The king, who had hitherto seemed anxious to repress the action of the clergy against the Lollards, spoke strongly against the power in England which it wielded up to this year.
At Otes he enjoyed for fourteen years as much domestic peace and literary leisure as was consistent with broken health, and sometimes anxious visits to London on public affairs, in which he was still an active adviser. The subtle theo logical controversies of the 17th century made him anxious to show how simple after all fundamental Christianity is.
Members of the Convention were anxious to be thought severe lest they should be thought corrupt. Bonaparte was resolved not to sink into obscurity, and the directors were anxious to keep him as far as possible from Paris; they therefore sanctioned the expedition to Egypt which deprived the Republic of its best army and most renowned captain. It is
true that Locke is not particularly concerned with the ethico-theological proposition which Clarke is most anxious to maintain, - that the fundamental rules of morality are independent of arbitrary will, whether divine or human. Taking the different impulses in detail, he first shows how the individual's happiness is promoted by developing 1 It should
be observed that, while Clarke is sincerely anxious to prove that most principles are binding independently of Divine appointment, he is no less concerned to show that morality requires the practical support of revealed religion. This naturally suggested to a mind like Hume's, anxious to apply the experimental method to psychology, the problem of
reducing these different elements of personal merit - or rather our approval of them - to some common principle. But the search of origins frequently leads them into theories of the nature of that moral conduct whose origins frequently leads them into theories of the nature of that moral conduct whose origins frequently leads them into theories of the nature of that moral conduct whose origins frequently leads them into theories of the nature of that moral conduct whose origins frequently leads them into theories of the nature of that moral conduct whose origins frequently leads them into theories of the nature of that moral conduct whose origins frequently leads them into theories of the nature of that moral conduct whose origins frequently leads them into theories of the nature of that moral conduct whose origins frequently leads them into theories of the nature of that moral conduct whose origins frequently leads them into the origins frequently leads the nature of the natu
since Luther had published his theses against indulgences - twelve years of intense excitement and anxious discussion, not in Germany only, but in almost all the adjacent countries. As Giovanna had borne Francesco no sons, Bianca was very anxious to present him with an heir, for otherwise her position would remain very insecure. As Lanfranc and
Anselm were both anxious to extend their jurisdiction over the whole of Ireland, the submission of Dublin opened the way for Norman and Roman influences. The fuidirs were the chief source of a lord's wealth, and he was consequently always anxious to increase them. Anxious, changeable and distraught, the emperor made the Liberal concessions of
the 19th of January 1867 (right of interpellation), and then, when 0111vier thought that his triumph was near, he exalted Rouher (July) and did not grant the press and public meetings till 1868. The missionary is sometimes anxious to prove that religion can only come by revelation, and that certain tribes, having received
no revelation, have no religious myths at all. Sometimes the missionary, on the other hand, is anxious to demonstrate that the myths of his heathen flock are a corrupted version of the Biblical narrative. Anxious as he was to preserve Charlemagnes traditions of government, he was not always strong enough to do so, and warfare within his
own dominions was often forced on him. The word usage examples above have been gathered from various sources to reflect current and historical usage. They do not represent the opinions of YourDictionary.com. List of 100 Adverbs + Printable The adverb can be one of the very most absolutely, positively, completely, totally, and truly confused
parts of speech in the English language. Adverbs are often confused with adjectives; however, adjectives describe nouns, while adverbs for all kinds of descriptions. Hypo vs. Hyper: They Only Sound Similar You may have heard the term hypoallergenic — or is it
hyperallergenic? What about hypothyroidism? While these words sound similar, they have distinctly different meanings. Learn the difference between hypo and hyper, their meanings and uses, and words they apply to. Synonym: agitated, concerned, desirous, eager, fearful, keen, troubled, uneasy, worried. Antonym: easy.
