Once a coin passes the quick screen, the next step is to dig into the data that tells you whether a project has staying power or is just another short-lived pump.

The acquisition is made in partnership with Brag House Holdings, House of Doge's publicly traded merger partner that will help the firm soon go public via a reverse merger.

"The number of new packages that get published on a daily basis is posing a challenge for security organizations, and ML model-based detection is currently the best answer that the security industry can provide," ReversingLabs engineer Karlo Zanki said.

Both platforms have capitalized on loosening federal oversight as Kalshi and Polymarket secured CFTC no-action letters this year, clearing them to operate without immediate federal enforcement risks.

Since its debut, the group has focused on shock value and provocation to market the token.

“This is the biggest single threat to Bitcoin since its inception from the ashes of the global financial crisis,” David Carvalho, founder and chief scientist at the Naoris decentralized cybersecurity protocol, said.
