As bizarre as the cryptosphere may be at times, Haines wants the show to feel realistic and authentic, providing an inside look at how scams and hacks propagate. Haines said that goal has gotten some pushback from prospective backers, but it hasn't made a difference.

"The shift is driven by the convenience and significant tax benefits offered by ETFs, as well as the ability for major investors to manage their wealth through existing financial advisers and access broader investment/lending services," Hiesboeck said.

Ethereum could eventually surpass Bitcoin's market share in a similar manner to how US equities overtook gold 54 years ago, when the US abandoned the gold standard, according to BitMine chair Tom Lee.

Federal Reserve staff is currently exploring the idea of issuing "skinny" master accounts on a streamlined timeline to institutions that haven't yet managed to secure full-fledged ones, Fed Governor Christopher Waller announced Tuesday at a conference in Washington.

More than nine in 10 respondents to a Myriad market believe that Strategy will not sell Bitcoin. (Myriad Markets is a product of DASTAN, the parent company of an editorially independent Decrypt.)

Defiance and other firms already offer a number two times leveraged ETFs that are geared toward short-term investors, asking them to speculate on the one-day direction of certain stocks, many of them in the technology sector.
