HSBC predicts gold is not topping out yet

South Korea's Financial Intelligence Unit has approved Binance's majority stake acquisition of GOPAX, ending a regulatory impasse that had stifled its return to the Korean market for over two years.

Analyst Luke Gromen sits down with Marty Bent on the Truth For The Commoner podcast to discuss the shifting macroeconomic landscape. Source: TFTC

Tether said its donation to OpenSats, which funds the development of free and open-source Bitcoin software, will support the nonprofit's operations and grant-making efforts.

The campaign's gamified nature has also led to community engagement across social platforms, with participants sharing their progress, NFT achievements and referral milestones. This activity is generating continued interest in the campaign as it moves into its next phases.

Once a coin passes the quick screen, the next step is to dig into the data that tells you whether a project has staying power or is just another short-lived pump.
