In Europe and the US, major fast-food chains like Subway and Burger King continue to accept crypto payments, often through third-party gift card services or payment processors. While not a direct, in-house integration for every location, it's a simple way for consumers to spend their Bitcoin.

The operations processing transactions—known as miners—race to solve puzzles and are rewarded for doing so. In order to take part, they must use huge amounts of computing power.

Strategy stock (MSTR) gained 2% on Friday, ending the trading session at \$289.87. However, it has fallen 39% since its all-time high closing price of \$473.83 in November 2024, according to Google Finance.

At the frontier, where these structures haven't been established yet, strong individuals can maximally exploit that strength to dominate others. That is freedom to those who want that or otherwise possess heterodox views and wish to exercise them away from propriety's watchful eyes.
