High-end brands are also joining in: Gucci and Ralph Lauren have continued to expand their crypto payment options at select flagship stores, particularly for their more exclusive collections.

Ether's moving average convergence divergence (MACD) indicator flashed a bearish signal in early 2025, a period that saw the ETH spot price drop by over 60% within a few weeks.

The first incident occurred on July 29, during a game between the Atlanta Dream and Golden State Valkyries, when a bright green dildo bearing the project's hashtag was thrown onto the court. Several similar disruptions followed and two arrests have been made.
