In an interview with the Financial Times, the Bridgewater Associates founder linked a rise in the price of digital assets and gold to America's overwhelming debt burden, which isn't improving, according to a transcript of the conversation that he posted to X on Wednesday.

Earlier this year, House of Doge worked with IndyCar driver Devlin DeFrancesco to put the DOGE meme coin logo on his car for the famed Indianapolis 500.

But the second problem with the code-is-law idea is more damning. While the model of regulation suggested here so far has been of a reactive system that arises to fill the need for authority, some political scientists — realists — view it the other way.

However, this is not all bad news as DATs with strong capital bases and trading-savvy management teams “may still generate meaningful alpha,” they said.
