For those new to the campaign, Algorand is a strategic initiative designed as a guided tour of the Algorand ecosystem. Running until Dec. 29, the campaign transforms onchain activity into a game.

But the second problem with the code-is-law idea is more damning. While the model of regulation suggested here so far has been of a reactive system that arises to fill the need for authority, some political scientists — realists — view it the other way.
