But the offering, called Ondo Global Finance, is only available for non-U.S. investors, according to an announcement from the company.

This put the memecoin sector back to levels seen in July, erasing gains it recorded in the last three months.

“With NAVs now having fully round-tripped, retail investors have lost billions — and many likely lack the conviction to keep adding to their positions.”

In 2008, the “financial crisis” saw a large GDP contraction, a surge in unemployment, and a 56% drop in the S&P; 500. It was triggered by a subprime mortgage crisis, banking system collapse, and credit freeze.

Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take things from those communities, some of the victims will appeal to the government for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.
