This suggests that a price rebound may lack the momentum derived from consistent buying pressure, potentially leading to a deeper pullback.

Crypto market sentiment has also dropped to its lowest level since April, following Friday's historic sell-off, which resulted in over \$20 billion in liquidations on centralized exchanges.

Polymarket has already had a strong month of integrations, including Sam Altman's identity-focused World App on Tuesday and crypto wallet MetaMask, which expects its integration to take place before the end of the year.
