In late 2022, the company disclosed it was among several firms affected by the collapse of FTX, with a portion of its assets trapped in the now defunct exchange.

“We can build, or architect, or code cyberspace to protect values that we believe are fundamental. Or we can build, or architect, or code cyberspace to allow those values to disappear. There is no middle ground. There is no choice that does not include some kind of building. Code is never found; it is only ever made, and only ever made by us.”
