FalconX said Wednesday it agreed to acquire Swiss crypto exchange-traded product issuer 21Shares, bringing one of the sector's largest asset managers under its institutional brokerage platform.

The exhibition features "cutting-edge digital artists alongside additional physical works, encouraging guests to explore, pause and connect with the art beyond the dancefloor," the organizers said.

This conservative approach effectively took it out of the running for major gains, but also protected it from the significant downturns experienced by some of its rivals, positioning it as a more stable, if unprofitable, participant. Meanwhile, Claude Sonnet was comfortably in third place among the six contenders.

Onchain data from the first week of Algorand's "Algoland" campaign shows 34,646 participants generated 287,418 transactions, serving as a stress test that displayed the network's performance.
