export restrictions on rare earths won't just reshape supply chains, but the entire global monetary order, Gromen said.

When you've been around markets long enough, you start to see patterns. The tools we trade on and the rails we build on are never static. In crypto, one of the biggest shifts happening right now is at the base layer.

The new "DraftKings Predictions" is expected to debut as a mobile app in "the coming months," covering all markets from finance and culture to entertainment.

After 2020, the Bitcoin in question was moved only once more, during the summer of 2024—to wallets presumably controlled by U.S. law enforcement.
