Retest and hold: False breaks often fail on the first retest. Treat any breakout or breakdown that hasn't been retested as suspect.

Major Asian stock exchanges are rejecting firms pivoting into digital-asset treasuries, a clampdown experts say is needed to prevent markets from being exposed to "severe volatility risks."

"Fast forward a few years: Corporate chains will end up with the complex tech but without the added value for users, which is no central entity to control them. At that point, these chains will lose the focus from corporates."
